From the Director of Public Instruction, No. 5091, dated 19th June 1905.

For orders as to whether the distribution proposed by the Director may be approved. The list, it is submitted, does not include members of the Science Faculty of the University nor Professors of any private Arts colleges having science departments (*vide* Government of India letter in G.O., No. 366, Educational, 31st May 1905). The Government of India letter does not restrict the distribution to Government officers or to Government colleges.

R.N.—23-6-05.

There is no Faculty of Science in the Madras University; there is however a Board of Studies in Physical science and this is included in the Director's list.

2. In the Medical College there is no Professor of Physics, but only a lecturer and he is appointed annually. Dr. VanGeyzel is usually appointed lecturer and he is on the University Board of Studies in Physical science.

T. KANAKASUNDARAM PILLAI—23-6-05.

The Director's list may be approved.

2. I link a file from which I see that the Hon'ble Mr. Stokes wants the report to be brought to the notice of the Board.

A. GALLETTI—27-6-05.

The distribution list is approved. Six copies will be furnished to the Board of Revenue. This will leave a reserve of 25 copies.
