JUNE.

College of Engineering, Madras.

Offering Mr. J. Webster, Instructor in Mechanical Engineering in the —, an increase of Rs. 100 per mensem in his pay for a further term of five years from the 30th January 1906 and requesting him to state whether he would accept the offer.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 370, Educational, dated 1st June 1905.

ABSTRACT.—Stating, with remarks, that Government will be prepared to retain the services of Mr. J. Webster, of the Engineering College, for another term of five years on the old terms.

READ—also the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, R.C. No. 4077, dated 20th June 1905.

With reference to G.O., No. 370, Educational, dated 1st June 1905, I have the honour to state that Mr. J. Webster, Instructor in Mechanical Engineering, College of Engineering, is not willing to continue in the College after the expiry of his present contract unless an increase of salary is sanctioned for him, as will be seen from the enclosed copy of his letter, dated 14th June 1905, and to suggest that the Secretary of State be moved to select a suitable successor to him and to arrange for his arrival at Madras by the middle of January 1906 so as to enable him to learn something of his duties from Mr. Webster before the latter's termination of his service on the 29th idem.

ENCLOSURE.

From Mr. J. WEBSTER, Instructor in Mechanical Engineering, Engineering College, to the Director of Public Instruction (through the Principal, College of Engineering), Madras, dated 14th June 1905.

I beg that my respectful thanks may be conveyed to Government for the offer contained in your endorsement No. 4077 of 5th June 1905 on G.O., No. 370, Educational, of the 1st June 1905.

Though I am unwilling to terminate my services at the College I feel that, after five years of what may be called approved service, I may reasonably look forward to some increase in salary and I venture to think that, in consequence of the experience I have gained, my services must be worth more now than when the Secretary of State valued them at Rs. 350 per mensem. I regret therefore that I must decline the offer made to me.

Among all the masters in the College from the highest grade to the lowest I see that the principle of progressive salaries is adopted, and I cannot think that there is any intention to treat me in an exceptionally unfavourable manner, I therefore beg to say that if Government should be pleased to see their way to increase my salary I should be willing and thankful to continue in its service.

ORDER—No. 446, Educational, dated 30th June 1905.

Mr. Webster will be offered an increase of Rs. 100 per mensem in his pay for a further term of five continuous years from the 30th January next on the old conditions, subject to the further condition that in the event of his having to take leave the arrangement will terminate.

2. He should be requested to state at an early date whether he accepts this offer.
