G.O., No. 640, Educational, dated 21st October 1904.

ABSTRACT.—Requesting the Committee appointed to report upon the question of providing accommodation for the public offices at Madura, to consider also the question of providing a site for the Government Training School in the town.

II

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 22nd June 1905.

No.—Ref. on Cur. No. 4653.

Referring to the correspondence ending with G.O., No. 640, Educational, dated 21st October 1904, I have the honour to request that you will be so good as to obtain the sanction of Government to the transfer of the Government Training School in the Madura district from Madura to Dindigul.

2. The school which has been in Madura for over twenty years has never had satisfactory accommodation and the President of the District Board, Madura, desired in 1901 that arrangements might be made for the removal of the school from the Technical Institute buildings in which it is now located. It was therefore proposed to provide it with a building of its own but this it has not been possible to do yet as though a number of sites were selected for the purpose they had all to be given up for one reason or another. The school thus continues in the buildings of the Technical Institute to the inconvenience of that institution and so far as can be seen a suitable building site in Madura does not appear to be available. On the other hand a number of sites are available in Dindigul and if the removal of the school to that station be decided upon one of them has only to be acquired and building operations may then be commenced at once. Further Dindigul is healthier and cheaper than Madura and teachers can be brought to the former station for training just as easily as to the latter.

Order—No. 449, Educational, dated 1st July 1905.

The Director's proposal to transfer the Government Training School in the Madura district from Madura to Dindigul is sanctioned.

Ag. Secretary to Government.

It is not clear whether the Committee condemns the *whole* site of $2\frac{1}{2}$ acres as insanitary or only the portion of 1 acre originally proposed to be acquired. The cost of acquiring the whole $2\frac{1}{2}$ acres is estimated at Rs. 25,000. The alternative site of 583 acre near the railway station is said to be too small and inconveniently situated.

2. Please see Honourable Member's note of 6th March 1904 on page 4 of notes in G.O., No. 640, dated 21st October 1904.

The Committee do not help us.

H. D. TAYLOR—4-5-05.

Send the Committee's report to the Director of Public Instruction and ask if he has any further or other proposal to make.

To the Director of Public Instruction.

H. D. TAYLOR—8-5-05.

It appears to be hopeless to house the Training school satisfactorily at Madura. Mr. Stone and I discussed the matter before he went home and decided to recommend moving it to Dindigul if the Committee did not help us. Dindigul would do quite as well as Madura if we could secure a site there. Mr. Stone has to make enquiries. I will now see what has been done and report officially.

A. G. BOURNE—8-5-05.

The further report of the Director of Public Instruction may be awaited?
