Sir,

Lawrence Asylum, Lovedale.
11th May 1905.

From

The Principal & Secretary,
Lawrence Asylum.

To

The Secretary to Government,
Educational Department.

(Through the Director of Public Instruction).

Sir,

V

With reference to G.O. No.219 dated 4th April 1905, I have the honour to offer the following explanations on the several points referred to therein:--

1 clause

Para (1) The sum of Rs 32,944 is made up thus:--

XVII

	Rs.
(a) Sources of income as laid down in G.O. No. 149, Edl.dated 11th March 1905 -------------------	32,000
(b) Interest on Pro Notes to the value of Rs. 20,000, the property of the Ootacamund Girls' Branch---	698
(c) Proportionate Interest credited to the Female Branch on legacies-----	246
Total	Rs32,944.

clause (2) The amount of Rs. 6,000 should, as pointed out, be shown against Receipts III. I Subsistence Allowance. A lump sum of Rs.32,944 was entered; for, at the time of drawing up the Estimates, the sources of income and the exact amounts had not been settled. During the current year the receipts when realised will be classified under their proper heads.

(3) The following statement exhibits the Assets and Liabilities in the hands of the Treasurer of Charitable Endowments at the time of the amalgamation.

Balance. -----------	Rs. 2,700	9	6

This balance was paid to the Asylum on the 22nd. December last.

(4) The necessary corrections will be made.

2. Para (3). The Committee passed an entry for an increase to the salary of the clerk, pending the sanction of Government on the ground that there was a decided increase in the office work, resulting from the amalgamated Girls' Schools. The charge has been debited to the Female Branch, and I venture to hope that the Allotment will be allowed to stand. The man has done, and still continues to do, good work.

3. I beg to bring to your notice that the Committee in November last, on the recommendation of the Consulting Physician, resolved to raise the pay of the Matron of the Girls' Branch Hospital from Rs. 30 to Rs. 35 a month, that being the pay of the other Assistant Matrons, and that the sanction of Government should be solicited for this increase. The Committee trusts that this recommendation will also be favourably considered and that, the increase, if sanctioned, will be retrospective from the 1st. December 1904.

I have the honour to be,
Sir,
Your most obedient Servant,

Aug. Wm. Atkinson M.A.

C. No. 1133 From the D.P.I. No. 1680, dated 12th June 1905.

SUBJECT. Explanation of the points noticed in the Lawrence Asylum Budget.

V page 11

The explanations of the points noticed in para 1 Clauses (1) (2) and (4) of G.O. no. 219 Ed d 4-4-05 call for no remarks. In the explanation of Clause (3) it is not stated whether the sum of Rs 2,700-9-6 paid by the Treasurer of Charitable Endowments on the 22nd December 1904 was shown in the budget and if so under what heads. Apparently it was not shown. Should the Committee be asked to state clearly whether the amount was shown in the budget or not?

We may want for the Revised Estimates?

The sum was included in the revised estimates of 1904-5

2. In para. 2 of the current the Committee explain why they increased the pay of the Office Assistant — vide para. 3 of G.O. no 219 Edl. dated 4th April 1905 — and in para. 3 sanction of Govt. is solicited to raising the pay of the hospital matron from Rs 30 to Rs 35 a month.

V page 11

Orders are solicited as to whether these increases may be sanctioned with retrospective effect?

The sum of R2700.9.6 was included in the revised estimates for 1904-5. No further action is necessary

The question of the pay of the Hospital Matron was considered when the revised estab: was sanctioned. Mr Atkinson then told me that R30 would suffice. Please put up the G O with notes sanctioning the revision of estab. on the amalgamation

Mr Atkinson then stated that there was no need to increase the pay of the Asst. Matron attached to ~~of~~ the Hospital above R30. The only ground now urged is that the other Asst. Matrons get R35-

The average sick in Hospital ~~but~~ according to the last report was 2.25. I do not think this Hospital Matron can have as much work as the Kitchen Matron, or that the proposed increase is justified. The financial condition of the Girls Branch as shewn in the
