Sir,

I have the honour to state that I visited Coonoor recently in order to inspect the schools there. I have also during my stay here inspected schools in Ootacamund.

2 The Accountant-General states that I am not entitled to travelling allowance for the journey from Ootacamund to Coonoor and back for which I put in a claim . I receive no allowances for my journey between Ootacamund and Madras nor during my stay at Ootacamund and it seems to me that I should be allowed to recoup any extra expense to which I am put on account of inspection work conducted while on the Nilgiris. Under these circumstances I submit the matter for the orders of government.

I cannot think these [illegible] be paid

3 Perhaps as the Director would always conduct some inspection during his stay upon the Nilgiris he might be allowed travelling allowance from Madras to Ootacamund and back and halting allowance for 10 days and this be held to cover all expenses while on the hills.

I have the honour to be,

Sir,

With reference to Judicial Memorandum No.2849, dated 30th June 1905, I have the honour to say that I do not. Last year however when, after inspecting the Malabar district and the Malabar and Nilgiri Wynaads, I passed through Ootacamund on my way to Madras, I drew halting allowance at Ootacamund for three days.

I suppose the Acct Genl has refused T.A. from Ooty to Coonoor under the rule printed at the bottom of p. 95 of the Madras Supplement to the C.S.R. I don't see that it applies. Coonoor is treated as one station with Ooty only for the purposes of C.S.R. 1115 i.e. the rule means that if an officer stops at either Ooty or Coonoor for more than 10 days he gets no T.A. for coming up and no daily allowance; it does not mean that he is not to draw the ordinary T.A. for a

It is clearly the intention of Articles 1114 and 1115 of the Civil Service Regulations that no travelling allowance should be granted to an officer who prolongs his visit to a Hill Station beyond the period required for the performance of the duty which took him to the Hill Station. This prohibition applies to all travelling allowances connected with the visit to the Hills and not only to that for the journey to and from the Hills. The Government of India probably considered that the concession made to an officer of prolonging his stay on the Hills was of itself of such an advantage as to render it unnecessary to grant him any travelling allowance either for his stay on the Hills or for his journey to and from the Hills. After further consideration, I am respectfully of opinion that the previous report of this office was correct.

The case of the D.P.I. appears to be analogous to that of the I.G. of Police. Does the latter during his two months stay on the hills draw T.A. for any local inspection e.g. Coonoor that he may make. Perhaps Judicial can furnish the information
