To

The Chief Secretary to Government,

Financial Department.

Sir,

E

With reference to G.O.No.645 Edl. Deptt., dated 4th September 1893, sanctioning an annual honorarium of Rs.500 for the Secretary to the Board of Examiners for Teachers' Certificates, and G.O.No.76 Edl., Dept., dated 4th February 1897, sanctioning its continuation ^{new} at the same rate, I have the honour respectfully to enquire whether the sanction of the Secretary of State has been obtained to the grant of the allowance and if so, to request the favour of being furnished with a copy of the order.

2. I make the enquiry, as the appointment of Secretary to the Board has for the last 10 years been held by an officer in the service of Government on pay exceeding Rs.5000 per annum, and as a recurring honorarium like the one in question is an addition to salary, its grant requires the sanction of the Secretary of State under Article 70 and the note to Article 72(b) of the Civil Service Regulations.

3. If however the necessary sanction has not been obtained I trust that government will now be pleased to have the omission supplied. The present holder of the appointment is Mr. P. Littlehailes, Professor of Mathematics, Presidency college, whose salary is Rs.500-50-1000 per mensem.

I have the honour to be,

Sir,

Your most obedient servant,

B. Dobbie.

3143SUBJECT. Honorary to the Secretary to the
Board of Examiners for Teachers' certificates.

E

In G.O. no. 645 Edl. dated 4th Sept. 1893 an annual honorarium of Rs 500 was sanctioned for the Secretary to the Bd of Examiners for Teachers' certificates. The A.G. now enquires whether the sanction of the Secy. of State was obtained to the grant of this allowance and if not, he requests that it may be now obtained.

2. The sanction of the Secy. of State has not been obtained to the grant of the allowance, the reason being that the amount of the fees levied from the candidates for the Teachers' certificate examination is sufficient to cover the honoraria of the examiners. vide article 72 (d) of the C.S.R. The note to article 72 (b) was not in existence in 1893 when the honoraria was sanctioned and consequently no question was then raised about recurring payments. Under the rule as it now stands the sanction of the Secy of State is necessary.

3. But from the letter from the Govt. of P. no 329-336 D 23rd May 1905 in the linked file

File h-2-

it

5
it will be seen that the Govt of I. have already ruled that the note to article 72(b) applies to an officer who is selected for an examinership with reference to the appointment which he holds under Govt and does not apply to an officer who is selected on purely personal grounds, irrespective of his position under Govt. Mr. Littlehails, Professor of Mathematics, Pres. Coll. is now the Secy. to the Bd of Examiners for Teachers' certificates and he does not appear to have been selected for the Secretaryship with reference to the appointment he holds under Govt. If this view of the case is accepted then the sanction of the Secy. of State to the grant of the honorarium does not appear to be necessary.
