Letter—from C. L. T. GRIFFITH, Esq., temporary member of the Educational Department.

To—the Director of Public Instruction.

Dated—Madras, the 14th June 1905.

In obedience to the instructions conveyed in endorsement No. 318, Educational, dated 5th June 1905, I have the honour to submit my resignation of the appointment of temporary Professor of Civil Engineering in the College of Engineering at Madras.

2. I beg to be relieved of any liability for repayment to the Secretary of State for India of the sum of £37-10-0 (referred to in clause 4 of my agreement, copy of which is given below) in consequence of the above resignation, for the following reasons, viz.: (i) that my resignation is in obedience to the orders of His Excellency the Governor in Council, (ii) that I lose the benefit of my return passage to England, which would have become payable to me at the termination of my appointment on the 1st of June 1906.

3. I request that I may be granted one day's joining time, as I handed over charge at the College of Engineering on the afternoon of 5th June, but was unable to complete taking over charge of the Municipal Engineership till the afternoon of 6th June.

ENCLOSURE.

COPY of clause 4 of the agreement made between me, of the first part, and the Secretary of State for India, of the second part, dated 9th December 1904.

That if the party of the first part shall during his said period of appointment relinquish the service of the Government (whether after having given notice or otherwise) he shall forthwith on demand pay to the Secretary of State for India in Council the sum of thirty-seven pounds ten shillings paid to him towards the cost of his passage to Madras.

Endorsement by the Principal, College of Engineering, No. 365 C., dated 16th June 1905.

VIII

Endorsement by the Accountant-General, No. G. 437/3852, dated 4th July 1905.

Forwarded to Government.

2. It is not known to this office for what reasons Mr. Griffith has resigned his temporary appointment under Government before 1st June 1906, the date up to which he was engaged by the Secretary of State, to take up an appointment under the Madras Corporation, but there is no provision in his agreement with the Secretary of State forwarded with G.O., No. 20, dated 16th January 1905, under which he can be relieved of the liability to repay the passage money of £37-10-0. This will require the sanction of the Government of India. According to paragraph 4 of the agreement he

becomes liable by the mere fact of relinquishing the service of Government within the period of his appointment, and according to paragraph 7 has no claim to a free passage back to England.

3. In addition to the passage money referred to above a sum of Rs. 203-12-5 is also due by Mr. Griffith on account of the advance of Rs. 1,000 paid to him by this office on arrival in India.

Order—No. 489, Educational, dated 15th July 1905.

The resignation of Mr. Griffith is accepted.

2. The Government of India will be addressed.

LETTER—No. 490, Educational, dated 15th July 1905, to the Secretary to the Government of India, Home Department.

In continuation of my letter No. 140, Educational, dated 9th March 1905, reporting the appointment by the Secretary of State of Mr. C. L. T. Griffith to be a temporary member of the Indian Educational Service and to hold the appointment of Professor of Civil Engineering at the College of Engineering, Madras, during the absence and deputation of Mr. A. Chatterton on other duty, I am directed to state that the Governor in Council has since appointed Mr. Griffith to be Engineer to the Madras Corporation. Mr. Griffith was the only suitable person who, after long search, was available for the post, the office was offered to and not solicited by him, and his immediate appointment thereto was rendered necessary owing to the urgent needs of the City of Madras which appeared to the Government to be more pressing than those of the College of Engineering. The acceptance by Mr. Griffith of the Municipal Engineership involved his relinquishment of his temporary appointment in the Indian Educational Service, and this he relinquished with effect from the 6th June 1905.

2. Under paragraph 4 of his agreement with the Secretary of State (copy enclosed) Mr. Griffith, if he relinquishes the service of the Government before the 1st June 1906, becomes liable on demand to pay to the Secretary of State the sum of thirty-seven pounds ten shillings paid to him towards the cost of his passage to Madras. He has requested that he may be relieved of this liability in view of the circumstances attending his appointment as Engineer to the Madras Corporation. Mr. Griffith was in fact appointed to the Municipal Engineership in the public interest and I am directed to say that the Government of Madras recommend that no demand should be made.
