My request is

In April on which I am present
at the time of the meeting of the C.O. R. No. 1440 Financial dated 19th

320

December 1900 a revised scale of staff and salaries for the Reformatory School, Chingleput, was sanctioned with effect from 1st April 1900. The new scale was immediately given effect to except in the case of the carpenter and tailor instructors, the pay of whose appointments was raised from Rs 18 and Rs 20-1-25 to Rs 35-1-40 each. These two instructors were required by the late Director to pass the technical examinations in the subjects they taught and to qualify for technical teachers' certificates and pending the fulfilment of this condition they were allowed to draw pay at the old rates only. Both the instructors have now passed the technical examinations of the grade required of them and have also qualified for teachers' certificates of the Elementary Grade.

They will be called upon to pass for teachers' certificates of the grade corresponding to that of the technical examinations they have passed but in the meantime as they are reported to be good teachers and to be doing satisfactory work I consider them deserving of the higher rate of pay sanctioned and I have the honour accordingly to recommend that the sanction of Government to the revised scale of salary which has now lapsed owing to its not having been acted on for a year be renewed with effect from 1st March last.

Provision has been made in the current year's budget for the above increase.

I have the honour to be,

Sir,

Your most obedient servant,

E. W. Middlemist
