Sir,

I have the honour to forward herewith a request from Mohamed Yusuff Faruki, Certificated Sanitary Inspector and at present an Assistant Superintendent, Vaccine Section, King Institute, for favour of orders. It will be seen that after stating that he has served with credit on plague duty since 1898, first, as Inspector and, subsequently, as Supervisor, and was thereafter selected by me for the particular appointment now held by him, he expresses the hope that he may be permitted to appear for examination as Police Inspector. I can certify to the fact that he is a man of steady character and good physique, and ought to be well fitted for the appointment he seeks for. As he asks for no exemption but simply desires that he be allowed to appear for the examination, I hope that Government will be pleased to afford him this concession. I may state he belongs to a respectable Mohamedan family.

I have the honour to be,
Sir,
Your most obedient servant,
WG King
Lieut-Col, I.M.S.,
Sanitary Commissioner for Madras.

Sanitary Commissioner to the Government of
MADRAS.

Most Respected Sir,

I respectfully take the liberty of submitting the following few lines for your honour's benign consideration.

I entered the Sanitary Department in September 1898 as a Plague Inspector, and in 1903 your honour was pleased to appreciate my services and to promote me as a Plague Supervisor. Early in February 1904 your honour was further pleased to appoint me as an Assistant Superintendent in the KING INSTITUTE in which appointment I still continue and have been trying my best to give satisfaction to your honour. During the past 6 years I have had to serve in several Plague stricken parts in the Presidency namely Vaniambody and Hosur in SALEM, Hospet and Hadagali in Bellary, Chirkalvambasam in Malabar and Coimbatore and Mettupoliam in Coimbatore District.

I beg to submit that in the discharge of my duties in these above Districts not only I had to face Plague but very often as in Vaniambody rioting and other acts of fanaticism of the ignorant people. The testimonials, copies of which are submitted herewith, will I venture to think bear out my above statement. With a view to better my prospects I wish to qualify myself for an Inspector's post in the Police Department, in which capacity I believe I will be able to render myself more useful to Government.

I

I shall therefore feel grateful if your honour in consideration of my services be so pleased as to obtain the permission of Government for my appearing for the special Test Examinations prescribed for the post of an Inspector of Police.

For which act of kindness I shall ever pray for your honour's long life and prosperity.

I beg to remain,
Most Respected Sir,
Your honour's most obedient servant

The draft placed below is submitted for approval.

2. It is (however) observed that the petitioner is employed since 1904 as asstt: Supdt:, (Vaccine Section) in the King's Institute. It is not stated in the petition whether he is educationally qualified to hold that post. Presumably he has not passed any examination. Otherwise the present petition would not have been submitted. The Sanitary Commissioner may, it is submitted, perhaps be asked about it. A draft memo: is submitted below for approval.

[memo. no. 364 d/ 1-7-05].

From the Sany. Commissioner, no. 1451/S d/ 3-7-05.

The Sanitary Commissioner reports that Muhammad Yusuf Faroki is a certificated Sanitary Inspector and that he was appointed an Asstt. Supdt. of the King Institute under para 2 of G.O. no. 39 L d/ 11th January 1901. He has not passed either the Matriculation or the Upper Secondary Examination.

Reg I

2. Para 2 of G.O. no. 39 L. dated 11th Jany 1901 simply recites the proposals of the Sanitary Commr. as regards the staff required for the Vaccine Institute; it is para 4 which sanctions the proposals referred to in para. 2. It is scarcely possible that Govt. then realized that certificated Sanitary Inspectors would be men who had not passed either the matriculation or the Upper Secondary Examination.

5

Why not? If they had authorised ~~Col.~~ King to grant exemptions to non-matriculates for the C.S.I. course, Medical College?

Orders are solicited.

7.K.
17-7-05

Under what orders did Col. King

12

grant his exemption certificates for the Medical College course? Was there anything about it in the College rules? or was it a special order?

2. When the Staff of the King Institute was sanctioned, office should have ~~f~~ taken orders on the point whether a Sanitary Inspector's certificate was sufficient qualification, and should have noted that if that was the only qualification, non-matriculates would be eligible and a special excepting clause would have to be inserted in the Public Service Notn. This point, and any orders that may be passed on it in this file, to be noticed when the file about the re-publication of the Notn comes up.

AG 18/7/05

T The Sanitary Commissioner was authorized in G.O. no. 1914 M. dated 10th Dec. 1894 to nominate unpassed candidates for training as Sanitary Inspectors – vide para 5 of the Proceedings of the Committee appointed to draw up a detailed scheme for the training of Sanitary Inspectors – page 6 of the G.O.

The rules

Para: 5 G.O. No 697 L. dt 9th June 1903. S.

The rules are given on page 72 of the Medical College Calender for 1904-1905. The Sanitary Commission has now no power to nominate unpassed candidates. Old calendars of the Medical College are not available here.

2. The question regarding the staff of the King Institute was dealt with in the L.& M. dept. As certificated Sanitary Inspectors being unpassed men was only an exception and not the rule, that dept. probably did not note upon the point.

Submitted that although the appointment of a certificated Sanitary Inspector as an Assistant Superintendent was permitted it ~~does~~ did not follow ~~that~~ an unqualified Sanitary Inspector should be selected. This being a provincial appointment the Sanitary Commr. should have regarded the Public Service notification as qualifying the permission.

3. The point will be noted in the file re the revised Public Service notification.

4. Orders are solicited as to whether in these circumstances the appointment of Muhammad Yusuf Froroki, who holds a Sanitary Inspector's certificate but who has not passed either the Upper Secondary or the Matriculation Examination, as an asstt. Supdt. in the King Institute, pay Rs 45-6-75, may be regarded as regular or not and whether such appointments are or are not to be allowed in future.
