To

The Chief Secretary to Government,

Judicial Department.

Sir,

In submitting herewith a memorial from Abdul Wahab Sahib, a 3rd Grade Amin of this Court, I have the honor to state that the applicant who belongs to a respectable family has discharged the duties of ^{his} ~~the~~ office without any complaint. So far as the duties of the Amin go they do not require any knowledge of English nor is there any difference in the nature of the work that the Amins of the different grades have to do. Very great difficulty is experienced in ^{these} ~~these~~ parts in getting persons who are qualified by the Examination rules for clerical and other posts carrying Rs.15 and below. In some of the Courts it has not been found possible to get men for 2nd grade Amins' places and as all 3rd grade Amins are not qualified the vacancies have had to be left unfilled or filled temporarily by the appointment of unpassed men exempting them from the Examination rules for a period of 3 months; and every 3 months the process of selecting fresh men has had to be repeated as objection would be taken to the same men being exempted. As regards military pensioners, the examination qualifications are not enforced and a person who has not been on military duty can, I respectfully venture to submit, do the work of an Amin just as well as a military pensioner. Taking into account ^{the} paucity of qualified men, the respectability of the applicant's family, his unblemished character and service of 22 years as a 3rd

grade Amin, His Excellency the Governor in Council will, I crave ^{be graciously pleased to} leave to hope take a benign view of his case and extend to him the indulgence that he craves and which he states in his petition has been shown by Government to some Mohomedan clerks in the Collector's and District Registrar's offices.

I have the honor to be,

Sir,

Your most obedient servant,

Mudwanun Nijal
District Judge.

T.M.Swaminadha Aiyar Esq.,

District and Sessions Judge,

Nellore.

The humble memorial of Mohamed Abdul Wahab Sahib, a 3rd Grade Amin of your honor's Court, most respectfully sheweth

That he has been a 3rd Grade Amin of your honor's Court on Rs.12 putting in a service of nearly 22 years and has been discharging his duty to the entire satisfaction of his superiors as well as parties coming in touch with him in his official capacity. He is senior to all other Amins on the roll and he is attached to a high and respectable family and his father, a member of the District Board, has received a medal of honor in the last Jubilee of Her Majesty the late Empress of India in consideration of the respectability of his family; his grand father was the Tahsildar of Ongole Taluk and his great grand father was a Foujdar under the Nawab of Karnatic with jagir attached to his office, and so on. He knows a little of English in addition to Hindustani, Telugu and Persian which he knows perfectly well, and has recently obtained a first class certificate in the survey training which qualification, apart from enabling him to execute satisfactory processes requiring partition of lands, houses &c, entitles him for some consideration at your honor's ~~office~~ hands.

In the Revenue Department one Syed Abdul Khadir Sahib, an unpassed man and a member of the ancient family of Udayagiri Jagirdar, was exempted from Educational Test for posts on Rs.15 and above, on the recommendation of the Collector of Nellore as an encouragement for Mohamedans of respectable families to take up service under Government. One Abdul Rahim Sahib of Nellore Collector's office was also exempted in consideration of good work he turned out as a petty clerk in the Registration Department. The same concession was also shown to one Ghouse Mohiddin, a clerk of the Registration Department.

of the District. It will not be out of place for your memorialist to submit that, while with a view to improve the backward condition of Mohomedans such concessions are being shown in other departments, no such concession has ever been shown in the Judicial Department in appreciation of the good work turned out by the officials of the Mohomedan community.

Under these circumstances the memorialist respectfully begs to request that your honor in consideration of his past services with hard and honest work and the respectability of his family be kind enough to recommend him to the Government for exemption from the Examination rules for promotion in the higher grades of Amin.

In this connection your memorialist respectfully ventures to submit that there is no difference of work in the grades of Amins except that an Amin of the 1st or 2nd grade draws a little more pay than the 3rd grade Amin and consequently there will be no change of work and responsibility for him, should your honor be so pleased as to allow the concession he prays for.

Your memorialist humbly begs to remain

Nellore,
19th July 1905.

Honored Sir,

Your most obedient servant,

Mohamed Abdul Wahab Sahib
