2. It is observed that the petitioner is employed since 1904 as Assistant Superintendent (Vaccine section) in the King Institute. It is not stated in the petition whether he is educationally qualified to hold that post. Presumably he has not passed any examination. Otherwise the present petition would not have been submitted. The Sanitary Commissioner may, it is submitted, perhaps be asked about it. A draft memo. is submitted below for approval.

Submitted that the Sanitary Commissioner may in the first instance be asked to state whether Muhammad Yusuf Faroki is a passed candidate.

(Memo. No. 364, dated 1-7-1905).

From the Sany. Commr., No. 1451/S, dated 3-7-1905.

The Sanitary Commissioner reports that Muhammad Yusuf Faroki is a certificated Sanitary Inspector and that he was appointed an Assistant Superintendent of the King Institute under para. 2

of

I of G.O. No.39 L., dated 11th January 1901. He has not passed either the Matriculation or the Upper Secondary Examination.

I 2. Para.2 of G.O. No.39 L., dated 11th January 1901, simply recites the proposals of the Sanitary Commissioner as regards the staff required for the Vaccine Institute; it is para.5 which sanctions the proposals referred to in para.2. It is scarcely possible that Government then realized that certificated Sanitary Inspectors would be men who had not passed either the Matriculation or the Upper Secondary Examination.

Orders are solicited.

T.K.
17-7-05.

Under what orders did Col. King grant his exemption certificates for the Medical College course? Was there anything about it in the College rules? or was it a special order?

2. When the staff of the King Institute was sanctioned, office should have taken orders on the point whether a Sanitary Inspector's certificate was sufficient qualification, and should have noted that if that was the only qualification, non-matriculantes would be eligible and a special excepting clause would have to be inserted in the Public Service Notification. This point, and any orders that may be passed on it in this file, to be noticed when the file about the republication of the notification comes up.

A.G.
18-7-05.

T. The Sanitary Commissioner was authorised in G.O. No.1914 M., dated 10th December 1894 to

nominate

Why not? If they had authorised Col. King to grant exemptions to non-matriculantes for the C.S.I. course, Medical College?

Submitted that although the appointment of a certificated Sanitary Inspector as an Asst. Supdt. was permitted it did not follow that an unqualified Sany. Inspr. should be selected. This being a Provincial appointment the Sany. Commr. should have regarded the P.S. Notifn. as qualifying the permission.

3. 4
nominate unpassed candidates for training as Sanitary Inspectors - vide para.5 of the Proceedings of the Committee appointed to draw up a detailed scheme for the training of Sanitary Inspectors - page 6 of the G.O.

The rules are given on page 72 of the Medical College Calendar for 1904-05. The Sanitary Commissioner has now no power to nominate unpassed candidates. Old calendars of the Medical College are not available here.

2. The question regarding the staff of the King Institute was dealt with in the L. & M. Dept. As certificated Sanitary Inspectors being unpassed men was only an exception and not the rule, that department probably did not note upon the point.

3. The point will be noted in the file re. the revised Public Service Notification.

4. Orders are solicited as to whether in these circumstances the appointment of Muhammad Yusuf Faroki, who holds a Sanitary Inspector's certificate but who has not passed either the Upper Secondary or the Matriculation Examination, as an Assistant Superintendent in the King Institute, pay Rs.45-6-75, may be regarded as regular or not and whether such appointments are or are not to be allowed in future.
