No.—Bud. 294/4881.

Referring to G.O., No. 282, Educational, dated 2nd May 1905, I have the honour to request that, as Government intends to utilize the allotment of six lakhs under "22. EDUCATION—PROVINCIAL" for primary education for expenditure on primary school buildings and to carry out the works by the agency of the Local fund Engineering establishment, a contribution of the above amount may now be made from Provincial to the several District Boards through the "ADJUSTING HEAD—CONTRIBUTION" and that the budget grant under "22. EDUCATION—PROVINCIAL" may be transferred to "45. CIVIL WORKS—IN CHARGE OF CIVIL OFFICERS—Local"—vide article 295 (a) of the Civil Account Code—in order to enable the District Boards to incur the necessary expenditure during the current year against the allotments that may be placed at their disposal by Government.

Referring to G.O., No. 282, Educational, dated 2nd May 1905, which deals with the expenditure of six lakhs on primary school buildings during the current financial year, I requested the Accountant-General to place at the disposal of the Presidents of the undermentioned District Boards the amount noted against each :—

Madura	30,000

but that officer in his letter No. T. 265-Genl./4885, dated 25th July 1905, desires that I should obtain the orders of Government in the Financial Department accepting my proposals before the amounts required can be placed at the disposal of the Presidents.

I have the honour to enquire whether this is necessary and if so, and in view of the importance of utilizing the whole of the grant before the close of the current year, to request that you will be good enough to obtain the early sanction of Government in the Financial Department, authorizing the Accountant-General to place at the disposal of the Presidents concerned the amounts mentioned above, being the amounts allotted by me up to date for those districts.

I raise the question of the necessity for the reference as the amount comes under 22. EDUCATION which is controlled by the Director.

Order—No. 543, Educational, dated 8th August 1905.

The Accountant-General is authorized to place the amounts specified below at the disposal of the District Boards shown against them from the lump provision of six lakhs for primary education under 22. EDUCATION now transferred to 45. CIVIL WORKS—IN CHARGE OF CIVIL OFFICERS—*Local* :—

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 543, EDUCATIONAL, DATED
8TH AUGUST 1905.

[SUBJECT.—Distribution of the recurring grant of six lakhs made by the Government of India on account of primary education.]

From the Director of Public Instruction, dated 2nd August 1905, No. 4238.

It has been ascertained from Financial that the Accountant-General has proposed the transfer of the lump provision of six lakhs—the grant made by the Government of India to the Provincial revenues of Madras on account of Primary education—from 22. EDUCATION to 45. CIVIL WORKS—LOCAL, and that orders accepting his proposal will shortly issue with the concurrence of this Department. Orders on the present application of the Director of Public Instruction need not, however, wait for the Financial order referred to.

2. The Accountant-General wants the orders of the Financial Department sanctioning the distribution of the six lakhs; but as long as the amount is under the disposal of Educational, it seems competent for Educational to issue the orders. A draft is accordingly placed below, which, if approved, may issue with the concurrence of Financial.

P. T. THARYAN—4-8-05.

A. GALLETI—4-8-05.

On the other file I expressed an opinion without the references that the initial allotment to District Board should be made in Financial. But the present draft will serve with the concurrence of Financial. Salem seems to have an unnecessarily large share of the grant and Chingleput a very small one. It is a pity that proposals for all districts are not sent in at once.

H. D. TAYLOR—7-8-05.

I think that in four months, more in the way of distribution should have been done. At the present rate it is likely that the money will not be spent. Ask the Director of Public Instruction what he has to say by way of assuring Government that the provision will be fully utilised. And advert to the (apparent) present unequal distribution.

J. T[HOHSON]—8-8-05.

Issue order and the following demi-official to the Director of Public Instruction.

H. D. TAYLOR—8-8-05.

[G.O., No. 543, Educational, dated 8th August 1905.]

Demi-official from H. D. TAYLOR, Esq., Acting Secretary to Government, Educational Department, to the Director of Public Instruction, dated 9th August 1905, No. 139.

Referring to your letter No. 1401, dated 2nd August 1905, making proposals for the distribution of a certain portion of the recurring grant of six lakhs to District Boards in connection with Primary education, I am directed to ask that your proposals for spending the balance may be expedited, as at the present rate it is likely that the money will not be spent. I am to ask what you have to say in the way of assuring Government that the provision will be fully utilized.

2. The Government regrets that you have not been able to submit complete proposals for all districts. Nine out of the twenty-three District Boards still remain to be allotted funds out of the balance of Rs. 2,14,300 remaining; if the money is to be spent at once early allotment is necessary.

3. I am also to invite your attention to the apparently unequal distribution of the grant. While Salem, which cannot be said to be a backward district, is given Rs. 70,000 and Tanjore Rs. 47,000, Chingleput gets but Rs. 5,000, Kurnool (a backward district) Rs. 10,000 and Guntur Rs. 14,000 only.
