Read—the following papers :—

I

Letter—from the Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 17th December 1904.
No.—Ref. on Cur. No. 8928 of 1904.

I have the honour to request you will be so good as to obtain the sanction of Government to the employment of a night-watchman for the Government Training school, Anantapur, on Rs. 3 per mensem with effect from the 1st January 1905. Owing to the prevalence of plague at Anantapur, the school is now held at Tadpatri in a public choultry and for the safety of the school furniture the services of a night-watchman are required. The Inspector reports that it will be necessary to continue to employ a night-watchman even after the removal of the school to Anantapur.

2. The charge can be met from the contingent allotment for the school in the current year's budget. Provision for the purpose has been made in the budget for next year.

II

Memorandum No. 6, Educational, dated 6th January 1905.

The Director of Public Instruction is requested to submit, through the Accountant-General, the usual proposition and reappropriation statements.

(By Order.)

Assistant Secretary to Govt.

To the Director of Public Instruction.

III

Letter—from the Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 20th January 1905.
No.—Ref. on Cur. No. 8928 of 1904.

With reference to memorandum No. 6, Educational, dated 6th January 1905, I have the honour to state that the submission of a proposition statement appears to be unnecessary, because the charge is to be met from the provision for "Contingencies" and not from the allotment under "Salaries" and "Establishment". The submission of a reappropriation statement also appears to be unnecessary as the charge does not exceed Rs. 10—*vide* G.O., No. 867, Financial, dated 31st August 1900, and can be met from the provision for contingencies.

IV

Memorandum No. 54, Educational, dated 1st February 1905.

With reference to his letters, dated the 17th ultimo and the 20th instant, No. 8928, the Director of Public Instruction is requested to be so good as to call upon the Inspector of European and Training schools to report his reasons for proposing the continuance of the night-watchman for the Government Training school at Anantapur after its re-transfer to that town and to forward the report to Government.

Letter—from the Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 15th March 1905.
No.—Ref. on Cur. No. 8928 of 1904.

I have the honour to submit, herewith, the report of the Inspector of European and Training schools, called for in memorandum No. 54, Educational, dated 1st February 1905, regarding the employment of a night-watchman for the Government Training school, Anantapur.

Enclosure.

Letter—from J. H. Stone, Esq., M.A., Inspector of European and Training Schools.
To—the Director of Public Instruction.
Dated—Camp, Calicut, the 24th February 1905.
No.—D./148.

With reference to your official memorandum, Ref. on Cur. No. 8928 of 1904, dated 8th February 1905, I have the honour to state that for the following reasons I consider a night-watchman necessary for the Training school, Anantapur, even after the school is removed from Tadpatri :—

(1) The space allotted to the Training school in the Municipal High School building being insufficient, the practising school classes are held in the verandahs which are protected from rain and sun only by bamboo tatties. In the absence of a night-watchman, the furniture has to be removed into the rooms every evening which is a great inconvenience.

(2) The school being situated in the midst of the town, cattle trespass into the compound during nights and spoil the garden, besides dirtying the floor and the walls of the verandah. Moreover, it is not possible to prevent stray people using the school verandahs at nights for sleeping purposes, as if the building were a public choultry.

VI

Memorandum No. 185, Educational, dated 28th March 1905.

The Director of Public Instruction is requested to be so good as to submit proposals, with proposition statement, for the employment of a permanent full-time watchman for the Government Training school at Anantapur.

(By Order.)

A. Galletti,
Assistant Secretary to Govt.

To the Director of Public Instruction.

VII

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—Madras, the 14th July 1905.
No.—Ref. on Cur. No. 8928 of 1904.

With reference to memorandum No. 185, Educational, dated 28th March 1905, I have the honour to request the sanction of Government for the appointment of a permanent full-time night-watchman on Rs. 4 per mensem for the Government Training school, Anantapur, with effect from 1st August 1905.

2. Provision has been made for the charge in the budget estimate for the current year. The necessary proposition statement is enclosed.

NOTES CONNECTED WITH G.O., No. 549, EDUCATIONAL, DATED 10th AUGUST 1905.

[Subject.—*Employment of a night-watchman at the Government Training School, Anantapur.*]

From the Director of Public Instruction, dated 17th December 1904, No. 8928.
" " " " " *20th January* 1905 "

The Director has now separately reported that the Training School at Anantapur, which was temporarily transferred to Tadpatri on account of plague in the former station, will be retransferred to Anantapur with effect from the date of the reopening of the school after the Christmas holidays. The reasons given in the Director of Public Instruction's letter of the 17th ultimo that the building in which the school was temporarily located was a public choultry and that for the safety of the school furniture the services of a night-watchman were required, do not now hold good. It is not known what arrangements were hitherto made for the discharge of these duties. The question for consideration is whether the services of a night-watchman are necessary even after the school is removed to Anantapur. The Inspector of European and Training Schools considers the employment of the night-watchman necessary. For orders as to whether the present proposals may be approved.

2. The extra cost involved in the proposal is Rs. 36 *per annum*. It is proposed to pay this from the allotment for contingencies and it is reported that necessary provision has been made in the budget estimates for 1905-1906. The amount required for expenditure during the current official year is only Rs. 6 and will be met from the contingent allotment for the school in the current year's budget.

N.L.R.—25-1-05.

It seems desirable that a night-watchman, if allowed, should be on the permanent establishment of the school. If so, he cannot be paid from contingencies and a proposition statement seems necessary. Financial may perhaps be asked.

The Inspector should give his reasons?
