To—the Secretary to Government, Educational Department.

Dated—the 28th July 1905.

No.—Ref. on Cur. No. 7839 of 1904.

I have the honour to request you will be so good as to obtain the sanction of Government to the enclosed drafts of the revised rules relating to the Price Memorial prizes, the Muhi-ud-din Sharif Memorial prize and the Kannuswami prize. The rules approved in G.Os., Nos. 502, Educational, dated 4th September 1897 and 506, Educational, dated 10th October 1903, and 277, Educational, dated 20th May 1901, require to be modified in consequence of the separation of the Hospital Assistant department from the Madras Medical College and the provincialization of the Tanjore Medical school.

2. The Kannuswami prize being intended exclusively for students of the Hospital Assistant department, it appears to me that the second trustee of the endowment may be the Superintendent of the Rayapuram Medical school instead of the Principal of the Medical College.

3. The revised rules have been framed in consultation with the Principal of the Medical College and the Superintendents of the Rayapuram and Vizagapatam Medical schools.

To the Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 558, EDUCATIONAL, DATED
15TH AUGUST 1905.

[SUBJECT.—Revision of the rules relating to certain Prize Endowments in the Medical College.]

From the Director of Public Instruction, dated 28th July 1905, No. 7839.

The Price Memorial prize is open to the two students (1) in the College and Apothecary departments, and (2) in the Hospital Assistant department, of the Medical College who gain the highest number of marks at separate competitive examinations in medicine—*vide* rules in G.O., No. 502, Educational, dated 4th September 1897.

The Muhi-ud-din Sharif Memorial prize is open to such Muhammadan students as are studying for the grade of Hospital Assistant and have completed their second year of study, and to such Muhammadan students in the College department as have completed their third year of study, who obtain the highest number of marks at a competitive examination in Materia Medica and Therapeutics—*vide* rules in G.O., No. 506, Educational, dated 10th October 1903.

The Kannuswami prize is open to the second-year student of the Hospital Assistant department who obtains the highest number of marks at a competitive examination in Materia Medica—*vide* rules in G.O., No. 277, Educational, dated 20th May 1901.

As these three prizes are mainly intended for students of the Hospital Assistant department, the Director proposes alterations in the rules of these prizes rendered necessary by the separation* of the Hospital Assistant department from the Medical College and by the recent provincialization † of the Tanjore Medical school.

2. Of these prizes, the Muhi-ud-din Sharif prize has been vested in the Treasurer of Charitable Endowments and any alteration in the scheme once settled can be made only on application from the persons administering the property—*vide* section 5 (2) of the Charitable Endowments Act, 1890. These persons are the Director of Public Instruction and the Principal, Medical College. The present application should therefore be a joint one from these and be put in proper form.

3. The other two prizes are trust funds and unless they are also vested in the Treasurer of Charitable Endowments in the first instance and schemes settled under the Charitable Endowments Act, 1890, for their administration, it is not clear how Government can alter the rules. In this connection please see paragraph 3 of the Advocate-General's opinion on page 4 of G.O., No. 826, Educational, dated 8th December 1899. The Director and the Principal, Medical College, who are now acting in the administration of the trusts, may therefore be asked to make joint applications in these cases under section 6 of the Charitable Endowments Act, 1890.

4. On receipt of the applications the necessary vesting orders may be prepared in the office and referred to the Government Solicitor.
