**Letter—from H. D. TAYLOR, Esq., I.C.S., Acting Secretary to the Government of Madras, Educational Department.**
**To—the Secretary to the Government of India, Home Department.**
**Dated—Ootacamund, the 16th August 1905.**
**No.—562, Educational.**

I am directed to address the Government of India on the subject of the addition of an appointment on Rs. 200 *per mensem* with a house-rent allowance of Rs. 60 *per mensem* to the cadre of the Provincial Educational Service.

2. The appointment is required for the purpose of providing a head master for the Breeks' Memorial School at Ootacamund. This school was established in memory of the late Mr. J. W. Breeks of the Madras Civil Service, Commissioner of the Nilgiri District, for the education of the children of the poorer European and East Indian and the more respectable Native inhabitants of Ootacamund. On the death of Mr. Breeks in the year 1872 his friends collected about Rs. 4,000, with which and with grants in aid from Provincial and Municipal funds they constructed a school building and entrusted it to a body of Trustees. The Church Committee of St. Stephen's Church at Ootacamund then conditionally endowed the school with a property which yielded Rs. 70 *per mensem.* With the proceeds of this endowment supplemented by school fees and grants from Provincial and Municipal funds the school was being conducted with varying success when in 1901 the Church Committee of St. Stephens took back their property. Since then the funds at the disposal of the Trustees have been insufficient and the Trustees therefore resolved to close the school from the 1st of July 1904. As however there was no other school in the town for the children of Europeans and Eurasians of the non-military class, the Government considered it undesirable that the resolution of the Trustees to close the institution should be carried into effect. As the result of further consideration and on the application of the Trustees the Government have now vested the property in the Treasurer of Charitable Endowments and have settled a scheme for its administration under which the Director of Public Instruction is to use the school in such manner, upon such terms and conditions and up to such standard of education as he may with the sanction of the Government of Madras from time to time direct, as a school for the children of Europeans and East Indians only of all classes and conditions and wheresoever resident. The Director is at the same time to make provision for the education of the children of the more respectable Native inhabitants of Ootacamund at another school or other schools in the town.

3. The Director of Public Instruction has accordingly submitted proposals for converting the school into a Government school for Europeans and Eurasians and for placing it under a European head master on Rs. 200 in class IX of the Provincial Educational Service with a house-rent allowance of Rs. 60 *per mensem.* I am to request that sanction may be obtained to the creation of the appointment on the terms mentioned with effect from 1st January 1906. It is intended that the school should, as far as possible, be on the residential system and that the head master should take in boarders. The usual proposition statement is appended. The school endowment consists merely of a building. But it is hoped that a considerable part of the expenditure will ultimately be met from the fee income.

4. I am directed to invite attention to paragraph 18 of the Home Department letter No. 429, dated 14th July 1903, in which the Government of India were pleased to commend for the consideration of this Government a memorandum by Mr. Marsden, in paragraph 13 of which he advocated the establishment of a Government High School for Europeans and Eurasians at Ootacamund.

5. No scale has yet been definitely fixed for the remaining staff required for the school but additional teachers will be employed as the necessity for them arises.
