Endorsement by the Government of India, Home Department (Education), No. 512, dated 4th August 1905.

Forwarding the following to the Government of Madras for information, incontinuation of the Home Department letter No. 313, dated the 17th May 1905 :—

Letter—from the Government of India, Home Department, Education.

To—the Secretary of State for India.

Dated—Simla, the 20th April 1905.

No.—9.

With reference to Lord George Hamilton's despatch No. 146-Public (Educational), dated the 28th November 1902, we have the honour to forward for your favourable consideration a proposal submitted by the Government of Madras to depute Mr. J. H. Stone, Inspector of European and Training schools in the presidency, to visit certain Training schools in the United Kingdom.

2. Mr. Stone originally applied for permission to carry out a more extensive course of study in the United Kingdom and America, but the Government of Madras were constrained to reject the application which had not been made in time to permit of its being fully examined. Mr. Stone then modified his proposals, and is willing to restrict his studies to the United Kingdom provided that he is reimbursed his expenses. The Government of Madras consider that his deputation would be of value to the public service and that he is well qualified for the task which he proposes to undertake. They recommend that his proposal may be accepted, and that instead of the ordinary terms admissible to educational officers deputed under the scheme approved in your predecessor's despatch of the 28th November 1902, he should be granted the actual travelling expenses incurred by his deputation, and hotel expenses at the rate of £0-10-0 per day.

3. We agree that Mr. Stone's deputation would be of public advantage. We support the recommendation of the Governor in Council, though we would leave it to you to adjust, if necessary, the terms to be granted to Mr. Stone in relation to those given to officers regularly deputed. If the proposal meets with your approval, we would ask you to be so good as to cause the necessary facilities to be given to Mr. Stone.

Letter—from the Right Hon'ble ST. JOHN BRODRICK, Secretary of State for India.
To—His Excellency, the Right Honourable the Governor-General of India in Council.

Dated—London, the 7th July 1905.

No.—78 Public.

Having considered in Council your Government's letter No. 9, dated the 20th April last, I have approved the proposal that Mr. Stone should be placed on special duty for six months during his furlough.

2. I have, however, sanctioned the grant to him under the ordinary conditions of subsistence allowance at the rate of £1-1-0 instead of 10s. per day, the former amount being that now usually allowed to educational officers on deputation.

Order—No. 571, Educational, dated 18th August 1905.

With reference to his letters No. 9041, dated the 24th October, and No. 8608, dated the 13th December, 1904, the Director of Public Instruction is informed that the Secretary of State has approved of the proposal to place Mr. J. H. Stone on special duty for six months during his furlough and has sanctioned the grant to him of subsistence allowance at the rate of £1-1-0 per day, usually allowed to Educational officers on deputation.
