To—the Secretary to the Government of India, Home Department.

Dated—Ootacamund, the 22nd August 1905.

No.—574, Educational.

I am directed to address the Government of India on the subject of re-engaging, for another term of five years, the services of Mr. J. Webster, Instructor in Mechanical Engineering, in the College of Engineering, Madras.

2. Mr. Webster was sent out by the Secretary of State in 1901 on an agreement for five years commencing with the 30th January 1901 and on a salary of Rs. 350 *per mensem* but without exchange compensation allowance. Copy of his agreement with the Secretary of State was forwarded with Mr. Williams's letter No. 137 (Education), dated 16th April 1901.

3. Clause (8) of this agreement provides that unless he shall receive notice in writing from some authorized officer of the Government six calendar months before the expiration of the said term of five years that Government no longer require his services or unless he shall give notice in writing to the Government six calendar months before the said term that he is desirous of putting an end to his service, he will continue therein upon the terms and conditions mentioned in the agreement until the expiration of six calendar months from the time when he shall receive or shall give such a notice in writing. Mr. Webster accordingly gave notice in April last that unless his pay was raised to Rs. 450 and certain other concessions were granted to him he was desirous of putting an end to his service on the expiry of the term of his present engagement.

4. As Mr. Webster is reported to be an efficient instructor and a steady and well-conducted man and as the experience he has already gained adds to the value of his services, His Excellency the Governor in Council desires to re-engage him for a further term of five continuous years with an increase of Rs. 100 *per mensem* in his pay from the 30th January next and subject to the condition that in the event of his having to take leave the arrangement will terminate, but otherwise on the conditions on which he was originally engaged. He is ready to accept these terms. I am directed to request that the Government of India will be pleased to obtain the sanction of the Secretary of State under article 277 (2) of the Civil Account Code to the increase of Rs. 100 in his pay. The usual proposition statement is enclosed.

STATEMENT of Proposition for Revision of Establishment.

* Excludes the cost of the two appointments in the Indian Educational Service and the three in the Provincial Educational Service.
