HOME DEPARTMENT (EDUCATION),
SIMLA, the 11th August 1905.

W. S. MARRIS,
Deputy Secy. to the Govt. of India.

ENCLOSURE.

Despatch—from the Government of India, Finance Department (Salaries, Establishments, etc.—Education).

To—His Majesty's Secretary of State for India.

Dated—Simla, the 11th May 1905.

No.—161.

In continuation of our despatch No. 59, dated the 9th February 1905, we have the honour to forward for your consideration a copy of a letter from the Government of Madras, No. 183, dated the 27th March 1905, in which that Government request sanction, with retrospective effect from the 1st April 1904, to certain additional expenditure incurred on the revised schemes of female education introduced in that Presidency.

2. The proposals of the Government of Madras originally embraced three circles, the cost of which if taken separately for each circle would have been within the financial powers of the local Government, but which collectively exceeded the limit within which those powers could be exercised. Accordingly in our despatch above quoted we recommended the three schemes for your acceptance. It now appears that two of these schemes, namely, those for the Central and Northern circles, have been actually in operation since the 1st April 1904, and the expenditure involved is held under objection. This expenditure includes charges in respect of—

- (a) appointments newly created;
- (b) appointments in which the new rate of pay is higher than the old;
- (c) personal allowances to teachers adversely affected by the reorganization.

We support the proposal of the Madras Government that such expenditure should be sanctioned with retrospective effect from the 1st of April 1904, and recommend it for your sanction.

Order—No. 576, Educational, dated 23rd August 1905.

In modification of G.O., No. 372, Educational, dated 2nd June 1905, the Director of Public Instruction and the Accountant-General are informed that the Right Honourable the Secretary of State for India has been pleased to sanction, with retrospective effect from the 1st of April 1904, the additional expenditure incurred on the schemes of reorganizations of the Government Girls' Schools in the Central and Northern circles in the Madras Presidency, which includes charges in respect of—

- (a) appointments newly created;
- (b) appointments in which the new rate of pay is higher than the old;
- (c) personal allowances to teachers adversely affected by the reorganization.

2. The Director of Public Instruction is requested to furnish at a very early date the information called for in paragraph 2 of G.O., No. 182, Educational, dated 27th March 1905.
