Building grant.

Sanctioning a grant of Rs. 1,455 towards the cost of extending the building occupied by the Atkinson English Day School at Bezwada.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—10th June 1905.

No.—R.C. 3219 of 1904.

I have the honour to submit the enclosed plan with estimate, amounting to Rupees 4,300 for extending the building occupied by Atkinson English Day School, Bezwada, and to recommend, that, under rule 118 of the Grant-in-aid Code, a grant of Rs. 1,433 be sanctioned to be paid during the current official year.

2. The plan and estimate which were referred to the Public Works Department authorities previous to the receipt of G.O., No. 597, Educational, dated 27th September 1904, have been approved by them.

3. The necessity for the proposed work is explained by the Manager in the following words:—

"The school, as you are aware, consists of one only large hall, where all the classes are arranged as follows:

From the entrance door, at the left side are II and III forms — this year under one teacher; behind in succession the II standard and the IV.

At the right hand side from the entrance I form — then behind, the III standard. The further end of the school room is occupied, right and left, without passage in the centre by the I standard and the higher division of the infant department. For want of room, the lower division is arranged every day in one of the teachers' bedroom which is next door as sketched on the plan."

The Inspectress of Girls' Schools, Northern Circle, also reports that the extension is badly needed and that it is almost impossible to conduct the school satisfactorily under the present arrangements.

4. The school is working at a loss which is met from the Manager's funds.

5. Out of the allotment for building grant in the current year's budget estimate payment of Rs. 423 has been authorized up to date.

II

Note by the Chief Engineer, Public Works Department, dated 11th September 1905.

The estimate for improvements to the Atkinson English Day School, at Bezwada, is recommended for sanction with the following remarks.

2. The thickness of the sand under the foundations has been increased to $1\frac{1}{2}$ feet and that of the concrete reduced to 2 feet.

3. The arches have been altered from flat to segmental.

4. Painting instead of wood oiling has been provided for all external wood work.

5. In a room $44\frac{1}{2}$ feet long 4 windows should be a minimum.

6. Sunshades have been provided for the windows on the west side of the building.

7. The amount of the estimate, corrected as per above alterations, has been increased from Rs. 4,300 to 4,365.

Order—No. 638, Educational, dated 22nd September 1905.

The Government are pleased to sanction a grant of Rs. 1,455 towards the cost of extending the building occupied by the Atkinson English Day School at Bezwada subject to the following conditions:—

(1) That the Manager of the school carries out the work in accordance with the estimate as now approved by the Chief Engineer;

(2) that the work is completed before the 31st March 1906;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 30th of April 1906; and

(4) that all other conditions prescribed in the Grant-in-aid Code are duly complied with.

2. On these conditions being satisfied the grant will be paid.
