Reference

Read again Board's Reference on C.R. No. 1234/Salt, dated 21st April 1905, requesting Deputy Commissioners and Inspectors of Distillery Circles, to submit lists of officers whom they recommend for exemption from passing departmental examinations on the ground of their having passed other equivalent tests or for other reasons, and replies there ~~to~~ **Reference.**

The Board begs to request that Government will be pleased to exempt the officers mentioned in the appended list from passing the departmental tests noted against their names. All these officers except Mr. Muller have passed examinations covering the same ground as those from which exemption is sought. Mr. Muller is now 51 years of age and cannot

be expected to study for any examination. He has passed all the other tests, and it is not probable that he will be moved from a Tamil district. It is now 14 years since he served out of a Tamil district, in fact he has only once so served.
