dated

ated 11th May 1905
manager or accountant in Municipalities.
I have the honor to state that he is
an efficient hand and has had experience
of office work in different departments
for a period of 13 years. He has a good
knowledge of English and is much
above a matriculate. Although he is
an unpassed man, he intelligently
and independently manages to draft
office letters to higher authorities. He
did very well as Tax clerk and has
improved much the account branch
of the office. He has been attending
to the Correspondence branch for
the last 6 months and has been
systematically dealing with office
papers under the Disposal Number
System of Rules. An extract from
this office letter D. Dis No. 94 of 05 dated
24th September 1905 to the Collector of
Tanjore is enclosed for favor of perusal.
He writes a good hand and is a good
typist. He possesses a special tact of
managing office business, and is very hard working.

In these circumstances he richly
deserves a special concession in
the hands of Government, and I
beg that the Government will be
pleased to grant his prayers as a
special case.

I have the honor to be
Sir,
Your most obedient servant.

from the Chairman, Municipal Council,
Mannargudi to the Collector of Tanjore
dated 24th Sep: 1905. D. Dis. No. 94 of 1905.

In this connection I may state
that the Disposal number system
which was introduced last year,
and for the proper maintenance
of which I have appointed as a
petition clerk a man who had
previous knowledge and experience
of the work, has now been working
satisfactorily and it is hoped that
in future there will not be much
difficulty in tracing and finding
out records whenever they may be
wanted.

Most Honored Sir,

I beg most respectfully to submit the following few lines for the kind consideration and favourable orders of Government.

2. I have passed the late Middle School Examination and completed the study and course for the Matriculation Examination. I appeared for the Matriculation Examination twice and for the Upper Secondary Examination once; I got through the most important subject (English) but failed in some of the other less important subjects which demanded a student's study but for which I had no leisure in my official duties.

3. I served in the Educational Department for a period of 3 years as a Temporary Clerk in the offices of the Sub-Assistant Inspector of Schools, Negapatana Range, and the Assistant Inspector of Schools, Tanjore & Trichinopoly Division. I thence entered the Revenue Department as a Copyist in the Deputy Tahsildar and Sub-Magistrate's Office, Tiruvalur, and continued in

that Department till August 1903 having acted in the meantime as dufterbund for some time. In 1903, I was taken to the Municipal service as a tax clerk in this Municipality. I am now doing the duties of the Petition Clerk, for the last 6 months and more and am thus in charge of the Correspondence branch of the office. Having been trained in the Revenue Department for a considerable period of 7 years, I am now thoroughly acquainted with the Disposal Number System which I have lately introduced into this office. A perusal of my testimonials--copies of which are appended--will show that in the several capacities I served the Government these 13 years, I discharged my duties satisfactorily and efficiently. I possess sufficient knowledge and attainments in the English language to be in charge of the routine work of any public office of Government.

3. I have a great desire to appear for the Special Tests referred to in the Rules in Notification No. II embodied in G O 498 L., dated 11th May 1905. But as I am not qualified under Article 2 of the Public Service Notification, I am not eligible to appear for the same without a special exemption from Government. I most humbly beg in these circumstances to request that I may be exempted from the operations of the examination rule under Article 2 of the Public Service Notification in order to enable me to appear for the Special Tests referred to in the G. O.

I beg most respectfully to remain,

Most Honored Sir,
