GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, 12th October 1905.

No.—Ref. on Cur. No. 8449.

With reference to G.O., No. 599, Educational, dated 5th September 1905, I have the honour to propose that I may be permitted to summon at an early date a small conference, say of ten or twelve managers and headmasters of representative European schools, before submitting detailed proposals regarding the introduction of the European Code into Madras.

Before drawing up curricula I consider it very desirable to obtain from the managers and headmasters some information as to the various classes of children educated in their schools and the callings they are likely to take up in after-life and to hear their views as to the general educational courses best fitted to prepare the children for their future occupations.

2. If Government sanction the holding of the conference, I would take the opportunity of ascertaining the views of the members on certain other points where local conditions might require some modification of the Code.

It would be necessary that each member of the conference should be supplied with a copy of those portions of the Code which I propose to discuss, and I request permission of Government to supply the extracts required.

Order—No. 681, Educational, dated 21st October 1905.

The proposal of the Director of Public Instruction is accepted. He may supply each member of the conference with such extracts from the Code for European schools as may be required. The whole Code is in type at the Government Press.

Yes, certainly. (I don't understand why he requires Government sanction to call this conference: perhaps he only wants to explain delay in reporting).
