NOTES CONNECTED WITH G.O., No. 694, EDUCATIONAL, DATED
28TH OCTOBER 1905.

[SUBJECT.—*Powers of exemption from professional qualifications under article 3 of the revised Public Service Notification.*]

From the Director of Public Instruction, dated 5th October 1905, No. 7727.

In G.O., No. 562, Educational, dated 9th September 1904, the Director of Public Instruction was authorised to grant exemptions from the professional and technical qualifications required by article 5 of the old Public Service Notification (page 538 of Part I-B of the *Fort St. George Gazette*, dated 19th September 1905) to the same extent to which he exercised powers of general exemption under article 3 (3) of the same notification. But under article 4 (3) of the revised Public Service Notification as now published, the Director has been given a more extended power of exemption than what he enjoyed under article 3 (3) of the old notification—that is, he has been authorised to sanction the entertainment of unpassed candidates in acting and sub. *pro tem.* vacancies and in temporary posts without limit of time, but subject to the condition that the pay or acting allowance, inclusive of any local allowance, was not more than Rs. 20 *per mensem.* The Director therefore requests that he may be similarly authorised to grant a more extended power of exemption from the professional qualifications than is now allowed under article 5 (3) of the revised notification on page 539 of Part I-B of the *Fort St. George Gazette*, dated 19th September 1905. There appears to be no objection to empowering the Director to the extent proposed. Orders are solicited.

R.N.—10-10-05.

P. T. THARYAN—11-10-05.

I thought of submitting the point for orders when I re-drafted the notification ; but did not because it would have been going beyond what the Director had asked for. May the Director be given the same powers as the Board of Revenue?

i.e., up to 12 months, article 5 (3).

H. D. TAYLOR.

2. It will be observed that other heads of departments have not, and have not applied for, powers to exempt from special tests. They may be left to apply for them if they want them?

H. D. TAYLOR.

A. GALLEITI—12-10-05.

The Director of Public Instruction's proposal may be approved on the understanding that he is satisfied that qualified men are not readily available. The power will not extend to posts for which any very important qualifications are prescribed, as in other departments— and may be limited, as in the case of the Board of Revenue to vacancies not exceeding 12 months duration.

H. D. TAYLOR—13-10-05.

Very well, 12 months and Rs. 20 limits.

G. S. F[ORBES]—14-10-05.

Draft.

H. D. TAYLOR—16-10-05.

The draft placed below is submitted for approval.

P. T. THARYAN—16-10-05.

Are the Sub-Assistants' test, etc., held annually at a fixed time like the Special tests? If so why should not the power of exemption be limited to time of publication of results of next examination as well as to 12 months?

A. GALLETTI—23-10-05.

Of the examinations concerned—

(1) The Sub-Assistants' test is held in April every year.

(2) The L. T. degree examination is held in January and February—the theoretical portion in January and the practical portion as soon as the results of the theoretical portion are published—pages 87 *et seq.* of the University Calendar for 1902-1903, Vol. I.

(3) The Teachers' certificate examination too has a theoretical and a practical side. The theoretical examination is held at the close of the year (No. 124 of the Educational Rules) but there is no fixed date for the practical portion. The Examiner, who is generally one of the Inspecting officers, fixes the date with reference to his inspection tours.

(4) The same remarks apply to the gymnastic instructors' certificate examination.

(5) The examinations prescribed for the diploma in agriculture are held in September every year—page 33 of the Calendar of the Commissioner for Government Examinations for 1905-1906.

P. T. THARYAN—24-10-05.

A. GALLETTI—25-10-05.

I think that conditions (a) and (b) must be read together; as they stand it might be inferred that condition (b) is not also governed by condition (a). It would be better to run it all into one clause as indicated by me.

Has Assistant Secretary any further remarks to offer on this point?

H. D. TAYLOR—26-10-05.

Submitted no. The rule will be clearer as altered by Secretary.
