From

Land Revenue.

The Board of Revenue, Revenue Settlement, &c.

The Hon. Mr. H. A. Sim (Commissioner of Land Revenue).

Reference D. No. 210, dated 21st October 1905.

In their order No. 561 (Educational) dated 8th September 1904, Government sanctioned the permanent exemption of H. Srinivasa Rao from the Matriculation and Handwriting tests for confirmation in the post of type-writing clerk on Rs.20-1-25 in the Collector's office, Kurnool. The Collector now reports that Srinivasa Rao has since passed the Intermediate Test in type-writing and that he proposes to give him the salary of Rs.25-1-35 for which he has thus become eligible; he accordingly requests that the exemption sanctioned in the Government Order of 8th September 1904 may be extended to the typist's post on the higher salary. He states that Srinivasa Rao's knowledge of English is equal to that of the average Matriculate and that he is a good typist.

As no one with superior qualifications has applied for the post and as the accompanying specimens of Srinivasa Rao's work

Collector's request.

PROCEEDINGS OF THE BOARD OF REVENUE
(Separate Revenue).

RESOLUTION--No. 122, dated 27th March 1897.

The Board begs to submit to Government its proposals for
the income-tax establishments required during the year 1897-98

Cuddapah.	{	Chingleput.	2. There is at present
Anantapur.	{	South Arcot.	
Kurnool.	{	South Canara.	no such establishment in --

the six districts noted in the margin and the Collectors con-
cerned ask for none.

3. Of the remaining Collectors, those of Ganjam, Viza-
gapatan, Godavari, Kistna, Nellore, Bellary, Madras, Trichi-
nopoly, Tinnevely, Coimbatore, Nilgiris, Salem and Malabar -
recommend the continuance of the existing establishments. This
may be sanctioned. The other Collectors make the following
additional proposals.

4. The Collector of North Arcot requests that sanction
may be accorded for the entertainment of a clerk on Rs. 15 in
the Head Assistant Collector's office for income-tax work, on
the ground that the general clerical work of the division is
very heavy and has recently increased owing to an enormous in-
crease in summary suits. He reports that, though he has --
twice placed an Assistant Collector on special duty to clear
them off, the arrears still continue to be large and points --
out that the Head Assistant Collector has five subordinate --
assessing officers under him whose work has to be supervised.
The Collector's proposal may be sanctioned.

5. The Collector of Tanjore applies for an additional
clerk on Rs. 10 for the Kumbakonam taluk and of a clerk on --
Rs. 15 for the Negapatam taluk on account of income-tax work.
It will be observed from the statement given below that the --
number of assesseees and the amount of assessment in the two --

taluks are steadily increasing:--

			Final demand.	
Years.			Number of assesseees.	Amount of tax.
<u>Kumbakonam.</u>				Rs.
1892-93	...	...	986	23,255
1893-94	...	...	996	23,972
1894-95	...	...	987	25,888
1895-96	...	...	1,058	27,144
<u>Negapatam.</u>				
1892-93	...	...	459	19,988
1893-94	...	...	533	22,027
1894-95	...	...	572	24,865
1895-96	...	...	575	26,822

It is reported that the Kumbakonam taluk establishment is overworked and that the Tahsildar finds it difficult to cope with any additions to his work. Negapatam is the place of business of many of the Nattukottai Chetties, and the correspondence connected with the enquiry into their incomes is very large. The Board recommends that in view of the large increase of work a clerk on Rs. 15 for each of the two taluks be sanctioned. As the appointment of a clerk for income-tax work should be made from the permanent establishment, the Board considers it advisable to have a clerk on Rs. 15 instead of on Rs. 10 as recommended by the Collector for the Kumbakonam taluk.

6. The Collector of Madura recommends the entertainment for the Head Assistant Collector's office of a clerk on Rs. 30 instead of one on Rs. 20 and a clerk on Rs. 15 throughout the year instead of for six months, on the ground that the income-tax work has been steadily on the increase since the introduction of the Act as shown below:--

			Final demand.	
Years.			Number of assesseees.	Amount of tax.
				Rs.
1886-87	...	...	302	29,571
1887-88	...	...	418	40,359
1888-89	...	...	476	46,042
1889-90	...	...	478	46,763
1890-91	...	...	451	42,550
1891-92	...	...	523	50,968
1892-93	...	...	580	56,467
1893-94	...	...	593	58,271
1894-95	...	...	649	61,938
1895-96	...	...	733	67,375

It is also reported that correspondence is maintained with almost all Collectors of the Presidency and the Collectors of Income-tax at Bombay, Calcutta, Rangoon, Moulmein and Akyab where Chetties of the division carry on their business. As the original assessments and the number of objections which the Head Assistant Collector's office had to dispose of show a steady and rapid increase, the Board supports the Collector's recommendation and requests that the proposals may be sanctioned.

7. At present a clerk on Rs. 20 is temporarily entertained in the Board's office for two months to assist the present establishment (a clerk on Rs. 80 and one on Rs. 25) in the preparation of the statistics required for the income-tax administration report. The present establishment is inadequate for checking the various enclosures received from Collectors, reviewing them and obtaining correct information and compiling and despatching the report on the due date. The Board therefore requests that Government will be pleased to sanction two clerks on Rs. 20 for three months instead of one clerk on Rs. 20 for two months. During previous years the Board had to transfer an additional hand from the other departments of its office to assist the Income-tax department, but men cannot, without inconvenience, be spared from departments which are already undermanned.

8. A proposition statement embodying the above proposals is submitted herewith in duplicate. The Board requests that early orders may be passed.

9. The Collector of North Arcot reports that the remuneration of 2 per cent. on the income-tax collections granted to the village officers in the Municipal towns of Gudiyattam Tirupati and Wallajah may be continued next year in Gudiyattam only as there are not sufficient grounds for this course in the other two towns. The Board approves of the Collector's proposal. The commission of $\frac{1}{2}$ per cent. on collections (up to a limit of Rs. 150 a year) allowed to the village munsifs

of Negapatam and Devakottai under G. Os., Mis. No. 452, dated 1st February 1896, and No. 5073, dated 16th December 1895, may also be continued.

PROCEEDINGS OF THE BOARD OF REVENUE

(Separate Revenue).

RESOLUTION--No. 103, dated 2nd April 1898.

As requested in G.O., No.581, Revenue, dated 16th July 1897, the Board begs to submit a proposition statement showing the permanent establishments that are required for working the Income-tax Act in this Presidency with the following report.

2. The bulk of the establishments entered therein are already practically permanent, being entertained for the whole year round and sanctioned year after year on due consideration. It is unnecessary for the Board to offer any further reason - for their retention.

3. Certain of the Collectors, however, in reporting on the subject have submitted proposals for further additions to the staff which is already employed the whole year round. The majority of these the Board has rejected, as not being supported by good reasons. A statement of these proposals is contained in the second of the enclosures to these Proceedings. -- The following establishments would, however, in the Board's opinion, have been required to be entertained permanently, and the Board therefore requests that they may now be added to the permanent establishments.

(i) An additional clerk on Rs.20 for the Head-quarters Deputy Collector, Tinnevely.

(ii).Additional clerks on Rs. 15 for the Nellore, Tinnevely, Calicut and Mangalore taluk offices.

(iii) An additional clerk on Rs. 15 for the Tuticorin Deputy Tahsildar's office.

4. The assessments made by the Head-quarters Deputy -- Collector, Tinnevely, have increased from Rs. 2,261 in 1886-1887 to Rs. 10,179 in 1896-97 and the number of assesseees from

27 to 109. In addition to this there are a great many enquiries to be made on behalf of other Income-tax Collectors as a number of firms have branches at Tinnevely. The Deputy Collector's office consists of four clerks who are reported to have as much as they can do apart from income-tax work. In these circumstances the Collector's proposal to add a fifth clerk on Rs. 20 for income-tax work has the Board's approval.

5. As regards the four taluks for which additional establishments are recommended, two, viz., Nellore and Tinnevely, already have clerks sanctioned for them for six months in the year. A clerk for the Mangalore taluk has been recommended by successive Collectors. The work of the Calicut Tahsildar has largely increased owing to the transfer of the assessment of all incomes of less than Rs. 2,000 to him under G.O., No. 193, Revenue, dated 23rd March 1897. Clerks on Rs. 15 have already been sanctioned for seven taluks. The following statement compares the work in this direction of the four taluks above mentioned with that of those for which additional establishments have already been sanctioned. It will be seen that the average number of assesseees in the former case falls somewhat short of that in the latter, but that the average amount of assessments is only Rs. 1,608 less, the Tinnevely taluk ranking fourth in this respect in the Presidency and the Calicut taluk fifth. The Board considers that a sufficient case has been made out for the employment of these clerks.

Taluks for which the establishment has been already sanctioned.			Number of assesseees.	Amount of tax.

Average ...	...	...	562	21,051

6. As regards the Deputy Tahsildar, Tuticorin, the assessments are small, being only Rs. 5,374 with 316 assesseees. The Deputy Tahsildar, however, has his hands fairly full with his other work and has only two clerks to do all the Magisterial and Revenue work in his office. The appointment of an income-tax clerk for six months every year in his office has already been sanctioned and the Board considers that it should be made permanent.

7. In addition to these changes the Board proposes to make the pay of the clerks in its own office incremental. It has only two clerks at present for income-tax work -- one drawing Rs. 80 and the other Rs. 25. Much inconvenience is caused in getting the work done when the former is promoted or given leave or otherwise absent. The work is of a special nature and it is necessary that fit men should be secured for it and paid such a salary as will induce them to continue in the same

	Rs.	branch.
Godavari ..	612	The Board therefore proposes to make the pay of the first clerk Rs.75 rising by increments of Rs. 5 to Rs. 100 and that of the second Rs. 25 rising by five increments to Rs. 50. The Board trusts that Government will accept this proposal.

will be Rs. 20,473⁸ in 1898-99 as against Rs. 19,294¹ provided in the budget. The latter figure includes Rs. 794 the cost of temporary establishments entertained for definite periods. Deducting this from the total amount provided the cost of the permanent establishment will amount to Rs. 18,500. The excess of Rs. 1,973 can be met from savings under Total -- Assessed Taxes.
