TO

THE CHIEF SECRETARY TO THE GOVERNMENT OF MADRAS.

Sir,

I am directed to forward the annexed correspondence relative to the enlistment in the 83rd Wallajahabad Light Infantry, of 3 lads who were stipendiary students at the Art-Industrial Training School, Nazareth, (a) From Adjutant General in India No. 2238-B, dated 9th August 1905 (through Controller of Military Accounts, Secunderabad Division No. G 239 dated 19th August 1905) and enclosures. (Return requested)

but who failed to fulfil the conditions of the agreement entered into by them, and have thus rendered themselves liable to a refund of the stipends received by them from the civil department. It will be observed that His Excellency the Commander-in-Chief recommends that the amount Rs. 89-10-10 should be met from the military estimates and not recovered from the men.

I am to enquire whether the Government of Madras have any objection to the course proposed.

I am, Sir,

Your most obedient servant,

W. Hallway

Sir,

General
From the Lt. General
Commanding,

and enclosures.

I am directed by the Commander in chief to forward
the correspondence noted in the margin regarding the exhibit-
ment of 2 lads who were stipendiary students at the Art
Industrial Training school, Nagazeth.

2. It will be observed that the lads were in
receipt of a small stipend from Gmt. on the under-
standing that, if they failed to complete the course
they would refund the stipends. The lads however en-
listed in the 83rd Malajabbar light Infantry, and the
Madras Gmt. has refused to waive its claim to
a refund of the stipends.

3. It is very desirable in the interests
of recruiting that every effort should be made
to encourage the Christians of the Tinnevely District
to enlist. It is also desirable that Father
Margoschis, who is one of the few missionaries
who are willing to assist our Recruiting officers,
should be supported in this matter.

In these circumstances, H.E. strongly re-
commends that sanction be accorded to the
expenditure of the amount in question, namely
Rs 89-10-10.

2. The 3 recruits of the 83rd Madras Light Infantry having failed to fulfil the conditions of the agreement entered into by them have rendered themselves liable to repayment of the stipends received by them from the Civil Deptt.

3. H.E. the Commander in chief recommends that the amount of Rs. 89-10-10. may not be recovered from the men, & that sanction might be accorded to its being paid by the military Deptt. Should this recommendation be accepted it would merely be a transfer of expenditure from one Deptt. of Govt to another, while the object aimed at viz recovery from the men of the stipends received from Govt would be defeated. The case is however, one for the special consideration of the Govt. of India.

To

The Adjutant General
in India, Simla.

Sir, I have the honour to forward for favourable consideration the attached correspondence, regarding the enlistment by the Officers Commanding the 83rd M.L.I. of some lads from the Nazareth College. These lads were stipendiary students, drawing a small stipend from Govt. on the condition that if they failed to complete the course they would refund the stipends.

They however enlisted in the 83rd M.L.I. before completing the course & the Madras Govt. has refused to refund the stipends. I would beg to strongly recommend the sanction of the Govt. of India to the expenditure of the small sum, aggregating Rs 89-10-10 required on the grounds that the school concerned has furnished several excellent recruits & that as will be seen from the Revd. Canon Margosa (the Principal) letter no 867, dt 7th Decr. 1904, the fact of these boys enlisting, had much effect in inducing others to do the same and that a similar case would not occur again. The Reverend Gentleman does much to encourage the lads of his school to enlist, and I am informed that his boys always do well. I have &c.
