Letter—from Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—the 4th October 1905.
No.—Cur. No. 8345.

I have the honour to request that you will be so good as to obtain the sanction of Government to the entertainment with effect from 1st March next of an additional teacher on Rs. 10 per mensem in the Government Hindu Girls' School, Mulapet, Nellore.

2. The school is of the Lower Secondary grade with the second as the highest form and the infant class is divided into two sections. There are thus 8 classes in the school with 130 pupils on the rolls as shown below :—

Infant	...	...	...	...	...	...	...	53

At the time of the inspection of the school held in September 1903, the Inspectress reported that the infant class was too large for one teacher. Again in connection with the inspection held in September 1904 she reported that the staff consisting of five teachers was insufficient and recommended the appointment of at least one more teacher. It will therefore be seen that the insufficiency of the staff has been felt during the last two years and more and as the increase in strength noticed in 1903 has been maintained, I consider an additional teacher absolutely necessary. The infant class alone requires the attention of two teachers, and even supposing the first and second forms to be taken together, there should be at least six if not seven teachers on the staff.

3. The usual proposition statement is submitted and anticipating the approval of Government to the proposal I am making the necessary provision in the budget estimates for 1906-1907 now under preparation.
