Recommending that Range clerk R.R. Narayana Rao may be exempted from the provisions of the article 1 of the rules regarding educational qualifications for admission to the public service

BACK PAPERS.

FURTHER PAPERS.

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that the Government will be pleased to exempt Range clerk A. R. Karayana Rao from the provisions of the article 1 of the rules regarding educational qualifications for admission to the public service. In view of the fact that he has been in service since 1884, the Board in Board's Proceedings Forest No 155 No dated 1-12-1896 exempted him from the age bar. He was made permanent Range clerk on Rs 12 in October 1895 since then he has been working satisfactorily. The District Forest Officer South Salem reports that the clerk has been of much use in the District Forest office on account of his long experience as Permit clerk, and any other hand.

if appointed in his place will not do the work as satisfactorily, and wishes to confirm him as permanent clerk on Rs 15 in the permanent line owing to the difficulty of finding out a passed man who would stick up long to be of real use as 1st clerk.

Considering the clerk's long service and satisfactory work and also on the score that no passed candidate is available the exemption applied for is recommended.

I have the honour to be,
Sir,

Your most obedient servant

St. Thomas
