Station Madras, Dated the 27th September 1905.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to request that you will
be so good as to obtain the sanction of Government to the
acquisition of the plot of ground in Ongole town, adjacent to
the site recently acquired for the Government Girls' School in
that station and marked green in the accompanying tracing. The
acquisition is recommended by the Executive Engineer, Nellore
Division on the following grounds.

(i) Four latrines are situated on it.

(ii) The owners of the latrines claim a right
of way in the middle of the school compound.

2. I inspected the site myself and found the
situation of the latrines to be most objectionable.

3. The cost of acquisition is estimated at
Rs 850/-. As a sum of Rs 756/- has according to the Executive

Engineer's report been realized by the sale of old material
an item of receipt not taken credit for in the estimate
sanctioned in G.O. No. 659 W dated 23rd March 1905 - the
additional cost is not likely to exceed Rs 100/.

I have the honour to be,

Sir,

Your most obedient servant,

T. A. Scott

For Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

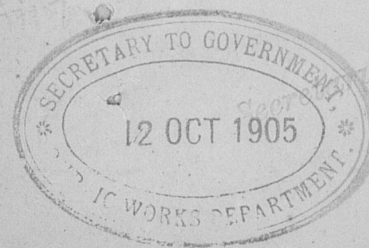

C. No. 1700 From the D.P.O. No. 7282, dated 27-9-1905

SUBJECT.

Acquisition of land for the Government
Girls' School, Ongole.

In G.O. no. 393 Educational, dated 21st August 1903,
the Collector of Nellore was requested to take steps for
the acquisition of the site required for the Govt. Girls' School
Ongole; and in G.O. no. 659 W, dated 23rd March 1905, an
estimate amounting to Rs. 200 26 for constructing a
building for the school was sanctioned.

2. The D.P.O. requests the acquisition of a certain plot
of ground adjacent to the site ordered to be acquired in G.O.
no. 393 Educational, dated 21st August 1903, for reasons
given in para. 1 of his letter read above. The cost of acquisition
is estimated at Rs. 850 of which Rs. 756 will be met from
the proceeds realized by the sale of old materials. The addi-
tional cost will thus be Rs. 94 or Rs. 100 in round numbers.
He orders as to whether the D.P.O.'s proposal may be accepted
If accepted, the draft placed below may issue with the
Concurrence of Public Works.

As compensation for land includes the cost of any buildings thereon Code I. 950, it follows that the amount realised by sale of the old materials from the dismantled buildings should go to reduce the cost of the acquisition. As, in the present case, it appears from the Director of Public Instruction's letter that this deduction was not made in the original estimate, it may be made now and a supplemental estimate sanctioned for the net difference of Rs.100/- to which extent an additional allotment may also be made.
