G.O., No. 764, Educational, dated 26th December 1904.

ABSTRACT.—Approving, with remarks, the action of the Director in having collected the enhanced fee of Rs. 1-8-0 from the candidates for the Special Fifth Standard examination held in November last and his proposal to pay fees to the examiners and the superintendents in connection with that examination.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 9th October 1905.

No.—Ref on Cur. No. 6830.

With reference to paragraph 2 of G.O., No. 764, Educational, dated 26th December 1904, I have the honour to request the sanction of Government to the holding of the Special Fifth Standard examination this year in the third week of November for the primary students who joined the Government and aided training schools at the beginning of the year including the Rajahmundry Training section.

As conducted last year it appears to have been an examination of the right sort and it should, I think, be continued for the present.

2. The Acting Inspector of European and Training Schools who will arrange for the general conduct of the examination estimates the number of candidates to be about 700 and proposes to levy a fee of Rs. 1-8-0 for each candidate. It may be stated that this fee was charged for the last examination and considering the fact that it was very readily paid I recommend that the same may be fixed for this year also and a fee of annas eight for each upper and lower secondary candidate who appears for the examination in drawing only.

3. The examination will be held in 35 centres; and a sum of Rs. 6 will, as was the case last year, be given for each Superintendent who is not a Government servant. The number of examiners besides the Inspector will be the same as last year. All but one of the men nominated by the Inspector are Government servants to whom it is desirable that the work of examining should be entrusted and he proposes that they should be allowed some remuneration, the rate and amount of which will depend on the amount of money available after all the other charges in connection with the examination have been paid. The examination will thus pay its own way and as the work will be done by the men outside their legitimate hours of duty and they will expect some remuneration for it, I beg to recommend that the proposal be approved. I may add in further support of the proposal that the subordinate educational officers have recently lost much in the way of examination work in consequence of the abolition of the Lower Secondary and Primary examinations and that they may therefore be allowed some remuneration for extra work that may be thrown upon them. The work will undoubtedly be heavy and have to be done in their hours of leisure. The services of the Inspector will be rendered free.

4. I further request that sanction may be accorded to the Inspector's drawing an advance of Rs. 250 to meet initial charges on account of the examination and this amount which will be adjusted after the close of the examination can be met from the allotment of Rs. 500 provided for the examination in the current year's budget.

Order—No. 727, Educational, dated 8th November 1905.

The proposals of the Director of Public Instruction are approved except as regards the levy of fees from candidates and payment of remuneration to examiners who are in Government service. In regard to these matters the orders contained in Proceedings, No. 682, Educational, dated 18th November 1904, should be adhered to.

2. The Inspector of European and Training Schools is authorized to draw on abstract contingent bills such amounts as may be required for immediate expenditure within the limit of Rs. 250 to be adjusted subsequently by detailed bills.

Ag. Secretary to Government.

NOTES CONNECTED WITH G.O., No. 727, EDUCATIONAL,
DATED 8TH NOVEMBER 1905.

[SUBJECT.—*Special Fifth Standard Examination of 1905.*]

From the Director of Public Instruction, dated 9th, October 1905, No. 6830.

With reference to paragraph 2 of G.O., No. 764, Educational, dated 26th December 1904, the Director of Public Instruction submits for the consideration of Government his proposals for the holding of the Special Fifth Standard Examination this year in November and requests sanction for—

- (1) the holding of the examination in the third week of November 1905;
- (2) the levy of a fee of Rs. 1-8-0 from each candidate and a fee of As. 8 from each upper and lower secondary candidate for the examination in drawing only;
- (3) the payment of remuneration to the examiners and a fee of Rs. 6 to each Superintendent who is not a Government servant — there will be 35 centres;
- (4) the drawing of an advance of Rs. 250 to meet the initial charges on account of the examination.

2. As regards (1) the Director says that as conducted last year it appears to have been an examination of the right sort and that it should, in his opinion, be continued for the present.

3. With regard to (2) and (3), the number of candidates expected to turn up is about 700 and the amount expected to be realized in the shape of fees at Rs. 1-8-0 from each candidate is $700 \times \text{Rs. } 1-8-0 = \text{Rs. } 1,050$. All but one of the examiners nominated are Government servants and it is proposed to allow them some remuneration, the rate and amount of which depend upon the amount of money available after all other charges have been paid. In their order No. 632, Educational, dated 18th November 1904, the Government stated that they were unable to approve of the proposal to pay fees for the conduct and superintendence of this simple examination and considered that the fee to be levied from the candidates should merely suffice to cover the cost of stationery, postage and other contingent expenses and fixed the fee at As. 12. But on a further representation made by the Director his action in having collected a fee at the enhanced rate of Rs. 1-8-0 from each candidate and his proposal to pay fees to the examiners and superintendents were approved as a special case in respect of the examination held in November last—*vide* G.O., No. 764, Educational, dated 26th December 1904.

4. As regards (4) the Inspector of European and Training schools was on the last occasion authorised to draw on abstract bills such amount as was required for immediate expenditure within the limit of Rs. 250 to be adjusted subsequently by detailed bills.

Orders are solicited.
