Madras.

Sir,

With reference to G.O.No.655 E, dated 3rd October 1905,

I have the honour to request that full copies of the opinions of the Principal of the College, the Professor of Engineering on Special duty, the Chief Engineer and the Director of Public -- Instruction, may be sent to me. Only extracts from these opinions are published with the order now issued, and the complete opinions of these officers would be of great value to the Committee in considering the questions referred to ~~them~~ ^{it}, for further

remark. In conclusion I beg to state that the Committee will not be able to sit until after the President, Mr. Davidson, has returned from leave ~~to~~ until after the 11th November.

I have the honour to be,

Sir,

Your most obedient servant,

A. J. Paul

The opinions of the Principal of the College
of Engineering, the Chief Engineer and the
J.P.D. are printed in the notes connected with
G.O. no. 655 E of 32 Oct. 1905, while that of
the professor of engineering on special duty
is printed in the G.O. itself. It is not usual
to communicate copy of the notes with the
order outside the Secretariat. Orders are
solicited as to whether when the G.O. is
finally printed a notes copy of the order
may, as requested, be communicated to
Mr. Keeling.

We have only referred specific points
and specific opinions on those points. Please
note in the printed notes the portions that
have been communicated. The original should

also be put up.

I do not think it desirable that the full copy of notes should be given to the Committee.

3/10/01

The portions communicated are marked A, B & C on pages 38, 39, 40 & 41 of the proof - also the portion marked A on pages 22 & 23.

The original of the notes is submitted flagged A. The original of the 80. is ^{flagged B.} in the linked file.

3/10/01

To order as to whether a complete copy of the notes may be furnished confidentially to the Committee. These notes are of the nature of criticisms or the proposals of the Committee, many of which have been fully dealt with. Perhaps it will suffice to furnish ^{full} copies of the notes only or the ~~full~~ proposals which are referred for further consideration by the Committee.

There are (a) the revision of the syllabus and (b) the recruitment of the College staff - para 7-11 of the G.O (para 26-27)

2-11-01

If the proposal is to give only the portions marked A on 11, 22 & 23

and the patrons marked A.B.C.
for pp 38-41 I have no
particular objection

We can't give the notes
en bloc. We want the in-
dependent views of the committee
+ we don't want them to
get shortcuts to their work +
lean to certain views because
they happen to be in the
sect notes
