GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Mr. A. WILLIAMS, I.C.S., Offg. Resident in Mysore.
To—the Secretary to Government, Educational Department.
Dated—Bangalore, the 4th November 1905.
No.—6433.

The Mysore Darbar have applied for the permission of the Government of Madras to send one Miss T. Pereira residing in the St. Martha's Hospital in Bangalore City to the Medical School at Madras to study for the grade of hospital assistants. As the candidate has not passed the Matriculation Examination, she is not ordinarily eligible for admission into the school, but it is urged by the Mysore Darbar that no female candidates who have passed that examination are available for the purpose.

2. In these circumstances, I have the honour to request that the Madras Government may be pleased to relax the rule in Miss Pereira's case and authorise her admission into the Medical School at Rayapuram as a special case in order that she may study for the hospital assistants' grade.

Order—No. 740, Educational, dated 14th November 1905.

The admission of Miss T. Pereira into the Medical School, Rayapuram, is sanctioned as a special case.

2. The Superintendent of the school should be instructed not to admit in future unqualified pupils in any circumstances without the previous sanction of Government.

3. The Director of Public Instruction should report the qualifications of the other three pupils from Mysore who, it is understood, were admitted into the school with Miss Pereira.

4. The following letter will be despatched.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.

Letter—from H. D. TAYLOR, Esq., I.C.S., Acting Secretary to the Government of Madras, Educational Department.
To—the Honourable the Resident in Mysore.
Dated—Fort St. George, the 14th November 1905.
No.—741, Educational.

I am directed to acknowledge the receipt of your letter No. 6433, dated the 4th instant, and to state that, out of deference to the wishes of the Darbar, His Excellency the Governor in Council has, as a special case, sanctioned the admission of Miss T. Pereira to the Medical School at Rayapuram.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., Nos. 740, 741, EDUCATIONAL,
 DATED 14TH NOVEMBER 1905.

[SUBJECT.—*Admission of Miss T. Pereira into the Medical School at Rayapuram.*]

PUBLIC DEPARTMENT.

Demi-official from Lieut.-Col. J. Smyth, I.M.S., to the Hon'ble Mr. H. Bradley, I.C.S., dated 16th October 1905.

I am in a difficulty which is as follows. I asked the Mysore Government early in the year to ask the Government of Madras for sanction to our sending a young woman for training as hospital assistant to the Rayapuram Medical school—although she is not a matriculate as the rules require. The Madras Government had been good enough to sanction the admission of a young woman with similar qualifications a year or so ago, and we thought they would do so again. You see it is next to impossible to get female matriculates for training as hospital assistants—yet this class of medical help is a most pressing need—here at any rate. Well the Government of Mysore delayed our sending on the application, but the young woman was sent to Rayapuram in the sure and certain hope that sanction would be obtained from the Government of Madras. The application had finally to go through the Honourable the Resident, but he on looking up the correspondence in regard to the sanction last accorded by the Madras Government concluded that the Madras Government only granted the sanction on that occasion as a special favour to the Darbar and might not give such sanction again. Hence he did not like to send on the application lest it might be rejected. But he has assured me that if I can give him some assurance that the application would be well received by the Government of Madras he will send it on even at this date. But how can I give him such assurance? and so I thought as you are either a councillor or next door to one you would be able to give me some idea as to how the Resident's application would be received. The young woman is at the school since August last and you can well imagine the mortification it will be to her if she has to leave the school—a particularly smart clever young woman, Pereira by name. I may say that our last passed out female hospital assistant had precisely the same entrance qualifications as this young woman has, and had no difficulty with her studies and passed out with only three months extra studies—she has passed the lower secondary examination which used to be the entrance test for hospital assistants and is still the test for Burmese hospital assistants as Burma matriculates cannot, I believe, be had at all for hospital assistants.

Demi-official from the Hon'ble Mr. H. Bradley, I.C.S., to the Hon'ble Mr. M. Hammick, C.I.E., I.C.S., Acting Chief Secretary to Government, dated 17th October 1905.

I send on to you a letter which I received this morning from John Smyth, I.M.S., Lieutenant-Colonel. It speaks for itself.

2. The Hon'ble Mr. Williams seems to be a poor thing. Even if the Madras Government refused, it would not hurt him.

3. I told Smyth that I could only send his letter on to you.

Forwarded to the Educational Department.

EDUCATIONAL DEPARTMENT.

(1) It is true that the admission of the female medical student was only sanctioned last year after considerable deliberation, and, as a very special case, not to be treated as a precedent. Put up those papers please (and type Colonel Smyth's letter).

(2) The Director of Public Instruction may be asked to state the circumstances under which the pupil now referred to was admitted last August. It is very undesirable that such admission should be allowed without the sanction of Government *previously* obtained. It is not uncommon. We have had, I think, a similar case from the Straits Settlements.

H. D. TAYLOR—26-10-05.

(1) Please see G.O., Nos. 416, 417, Educational, dated 7th July 1904.

(2) Colonel Smyth's letter has been typed.

(3) May the file go *u.o.* to the Director of Public Instruction?

H. D. TAYLOR—30-10-05.

To the Director of Public Instruction for remarks.

From the Resident in Mysore, dated 4th November 1905, No. 6433.

Orders are solicited as to whether the permission applied for by the Mysore Darbar for the admission into the Medical School at Rayapuram of Miss T. Pereira, a non-matriculate candidate residing in the St. Martha's Hospital in Bangalore City, may be granted. It is urged by the Darbar that no female candidates possessing the required Educational qualification (Rule 2 (1) of the rules on page 3 of G.O., Nos. 171, 172, Educational, dated 11th March 1904), are available.

2. In G.O., No. 416, Educational, dated 7th July 1904, one Miss Mackendry was, at the request of the Mysore Darbar, admitted into the Medical School at Rayapuram as a special case. Attention is invited to the notes connected with that Government order.

R.N.—7-11-05.

Miss Pereira has apparently joined the Medical School at Rayapuram—*vide* the recent demi-official letter from Dr. Smyth to the Hon'ble Mr. Bradley. This demi-official has gone un-officially to the Director of Public Instruction and the present letter may go to him in continuation.

P. T. THARYAN—7-11-05.

An official communication from the Resident has been since received. The admission of Miss Pereira may be sanctioned as a special case. The Superintendent should be instructed *not* to admit unqualified pupils in any circumstances without the previous sanction of Government. The Director of Public Instruction will be asked for details as to the qualifications of the other three pupils referred to him as having been admitted from Mysore.
