Station Madras, Dated the 31st October 1905.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.P.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

Referring to the correspondence ending with G.O. No. 449, Educational, dated 1st July 1905 sanctioning the transfer from Madura to Dindigul of the Government Training School in the Madura District I have the honour to request that Government may be pleased to instruct the Collector of Madura to acquire at an early date the site in Dindigul shown in the accompanying tracing. From the statement, herewith submitted, showing the area, boundaries, &c. of the proposed site, it will be seen that it measures 3 acres and 14 cents and that the cost of its acquisition is estimated at about Rs. 750. The whole of it will be required and may therefore be acquired, the cost of acquisition being met from the P.W. budget.

2. In a separate communication I am reporting to

Government

2 - 11 - 5

Government that this school should be provided with a large building similar in design to that already sanctioned for the Training schools at Villupuram, Nellore and Guntur. I request that the P.W. Department may be instructed to prepare with the least possible delay the necessary plans and estimates.

3. A building for this school is classed under B. works

X. item 125. in the P.W. budget and marked as 'urgent'. Under class A works a sum of Rs. 30,000 is provided for the Government Training School, Guntur. The question of a site for this school is still under correspondence and it is probable that the whole of the provision for this building cannot be utilized during the current year. A portion of this amount may with advantage be transferred for the building at Dindigul.

Rs 15000
of the
grant
has since been
resumed and re-
appropriated within
under for 1971-72
of 16.10.55
in pen

The school will have to remain in the buildings of the Technical Institute at Madura until a building at Dindigul has been constructed and it is therefore very desirable that this work should be pushed through as fast as possible.

I have the honour to be,
Sir,
Your most obedient servant,

J. A. Chow

For Director of Public Instruction.
