Station Madras, Dated 31st October 1905.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Educational Department.

Sd, /Through the Accountant-General/

I have the honour to request that, in the circumstances stated below, the sanction of government may be obtained for a rent of Rs 15 per mensem for the Art class attached to the Kumbakonam College.

2. The school is at present held on the ground floor of a building belonging to the Tanjore Palace Estate and a rent of Rs 100 per annum is paid for it. The accommodation available is quite insufficient as may be seen from the

accompanying pencil sketch and the sub-joined extracts from the Principal's letter on the subject.

"A, a fairly broad tiled verandah is just sufficient for the pre-elementary drawing class which consists of 25 pupils. "B is the painting room and accommodates 8 pupils.

There is no separate room for the Foliage Intermediate Drawing class. This class sometimes works in Room B, but the painters

have to go without work then.

C. A thatched shed which has been put up at Government expense is sufficient for the Elementary Freehand Drawing class, which numbers 16. The pupils of the Elementary and Intermediate Design classes numbering 12 are now made to sit in the corners of this shed. The Intermediate Freehand and Model Drawing classes 6 strong are also crowded into this shed.

D is a narrow veranda about 8 feet wide where clay-modelling is practised. The elementary Geometrical Drawing class numbering 6 is also held here now for want of better accommodation. The veranda is a very narrow one and the sun comes in during the morning working hours 7 to 9.

The Art class has no latrine now."

The upstairs portion consisting of three rooms having become vacant it is proposed to occupy them so that the school may have the additional accommodation it needs and also come into the possession of the latrine.

3. The school is in a satisfactory condition and has 65 students on the rolls. The principal also states that if advantage is not taken of ^{this} opportunity it will not be easy to secure another suitable building.

4 The necessary provision for the additional expenditure has been recommended in next year's budget estimates and that required for the current year will be met out of the provision of Rs 116 sanctioned for the school for furniture and library books.

I have the honour to be,

air,

Your most obedient servant,

J. A. S. W.
