G.O., No. 767, 23rd November 1905.

Establishment.

Sanctioning the proposition statement submitted by the Director of Public Instruction for employing three additional servants in the Medical School, Vizagapatam.

GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—the 13th September 1905.

No.—Ref. on Cur. No. 6411.

I have the honour to request that you will be so good as to obtain the sanction of Government to the entertainment, with effect from 1st March next, of three additional servants—one on Rs. 7 and the other two on Rs. 5 each—in the Medical School, Vizagapatam.

2. The present menial staff of the school consists of three servants—one of them helps the instructor in anatomy, the second is the school peon and the third is the waterman. The Superintendent reports that each instructor should have a servant attached to him to attend to such work as the getting out, arranging and putting back specimens, apparatus, etc., required for practical work, and that, for want of this establishment, considerable inconvenience is at present felt. He also states that the servant to the instructor in chemistry will have more work to do than the other two servants and proposes that his salary be fixed at Rs. 7 and that of the other two at Rs. 5 each. I consider that there is a necessity for this additional establishment and that the Superintendent's recommendations in regard to pay are moderate and reasonable. In the Ráyapuram Medical School seven servants are employed.

3. The usual proposition statement is herewith submitted, and if the proposal be sanctioned the necessary provision will be made in the next budget.
