Sir,

In forwarding herewith a copy of a petition dated 1st October 1905 addressed to me by J. Sivarama Row, 6th clerk of the Forest Branch of my office, requesting to be recommended for -- exemption from the Examination rules, and the District Forest-Officer's forwarding endorsement, I have the honour to say that the facts in the petition have been verified and found to be - correct. On a recommendation made in 1885 to exempt the applicant from the examination rules in view to his promotion in the office, the Board of Revenue gave him time to qualify by -- passing the examination. This he was unable to do (as stated in this office letter to the Board dated 14th January 1892, No: 89/For: copy enclosed) and nothing further was done towards promoting him in the clerical branch as in the meantime Mr: -- Vincent, the then District Forest Officer, had appointed him as a Temporary Forester with a view to transfer his services to the executive staff of the Department. In the letter quoted above the applicant was accordingly recommended for exemption from -- examination rules for appointment in the Executive service, but the Government was not prepared to sanction the application (vide G.O. 554-Educational, dated 25th July 1892). It however suggested that the applicant might be appointed a Forest Guard and -- then recommended for a Forester's place under section 57 of the Forest Code. This suggestion was not adopted because the clerk was already holding a permanent appointment on Rs 15 in superior service, with an approved service to his credit of 20 years and as his going out as a Forest Guard would mean a reduction of pay besides going down into inferior service. This difficulty does not appear to have been represented again to the Government nor was the application renewed and the applicant has ever since -- continued in the Forest Branch of my office on Rs 15. He is a non-brahmin Mahratta and is now 48 years of age. As he is to retire shortly from the Department which he has served faithfully for the past 30 years, I request that his case may be -- considered as a special one and that he may be exempted from -- the Examination Rules so as to permit of his being promoted in the Forest Branch of my office.

Nellore Collector's office,

Dated 14th January 1892.

From

Acting Collector, Nellore.

To

The Conservator of Forests, Central Circle,
Madras.

Sir,

I have the honour to forward herewith for favourable consideration a petition presented by J. Sivarama Row, 4th clerk of the District Forest Office, praying for exemption from Examination Rules for appointment as a Forester.

Petitioner was once recommended to the Board for exemption from Examination Rules for entertainment on the office establishment on a salary of Rs 20, but the Board while declining to recommend him from total exemption (vide Board's Proceedings -- Misc: No: 4597, dated 18th May 1885) gave time within which to qualify by passing the requisite examination (vide Board's Proceedings No: 7258/For, 56 - Misc: dated 7th August 1885).

He did not pass the qualifying examination having had little or no time for study as he says. He was however allowed to appear for the Language test which he passed successfully.

Mr. Vincent appointed him as Temporary Forester in 1887 -- from which he had to revert to his permanent appointment of 4th clerk, Forest Branch, as his holding the former post was considered contrary to orders, vide Conservator's letter No: 803 dated ~~ted~~ 19th June 1891.

Petitioner now seeks for exemption from Examination rules for employment in the Executive Branch. The District Forest - Officer strongly supports his appeal and thinks from his experience of the man for the last 4½ years both in the capacity of a Forester and clerk, that he will make a very efficient Executive officer being strong and active, and conversant with the

Departmental Rules.

Petitioner's conduct has been satisfactory and I think his case is deserving of favourable consideration.

(Through E. R. Murray, Esquire, District Forest-Officer,
Nellore).

Most Respected Sir,

I humbly beg to bring the following few lines to your honour's kind and sympathetic consideration.

I am an unpassed candidate, having passed only the obsolete -- Language Test, but I have been working in the Forest Department ever since its origin, having worked for some years even in the Jungle conservancy Department from the year 1874. I have worked in different capacities in the Department, both in the office and in the field. At one time I even acted as the Head clerk of the District Office (this was in '86-'87) on Rs 35 and for some years I was a Forester on salary ranging from Rs 20/- to Rs 30/-. It was in 1890 when the Examination Rules finally -- sent me down to the lowest clerical grade of Rs 15 in which I - have ever since been continuing.

It was during my youthful days when I was working in responsible positions in higher grades that I had direct contact with officers and I won golden opinions both from Mr: Vincent and from Mr: Brougham, the District Forest-officers. Both these officers wished and tried to see me exempted from the Examination Rules and advanced in the Department. Unfortunately for me, however, when I was able to get strong support both from the -- Collector, the Conservator and the Board (this was in 1892) I applied for exemption to enter the executive service and the Government declined to grant the request. If I had asked for exemption for promotion in the clerical service, I would probably have been successful, but this I did not do. The enclosed copies of the endorsements of the Collector and Board will show how -- deserving of advancement I was then considered to be. An application for exemption from Examination Rules for promotion in the clerical grades had it is true been made six years pre-

G.O. 554 Est. H, 25-7-92

-viously i.e., in 1886, but the matter did not then go up to Government and the Board had granted me time to pass the then Middle school examination, sanctioning temporary exemption. Circumstances stood against my success in the examination, -- however, and the fact was recognised by the Board when I submitted my second representation (above referred to). As submitted above, if I had on this occasion repeated my prayer merely, curbing ambition, I should probably have got my request and I - should have now been drawing something higher than my present - 15/- in the clerical grade. But the ~~facts~~ fates were against me and I wanted to rise in the executive service. This was refused, an alternative method having been suggested by Government, viz, serving for a time as a Forest guard, which I could not accept as it was inferior service. I am a Mahratta non-Brahmin by caste and am now 48 years of age. My retiring days are now near. My prayer is that your honour may be graciously pleased to place my case again before Government in view to my being provided with at least a Rs 20/- place, if not in the general branch, at least in the Forest Department, which I have faithfully served for the past 30 years, so that I may be able to aspire to a pension of Rs 10/- at least instead of Rs 7½.

I beg &c.,

(Signed) J. Sivaramarow

6th clerk, Forest Branch.

Forwarded.

The petitioner has always worked most willingly ever since I have known him - nearly 5 years - and I consider is well deserving of consideration.

SUBJECT.

Exemption from the Examination Rules.

J. Sivarama Rao, sixth clerk on Rs. 15 per mensem in the Forest Branch of the Coll's. office, Nellore, requests that he may be permanently exempted from the examination rules for promotion to an appointment on at least Rs. 20 per mensem in the Forest Department, to enable him to secure a pension of Rs. 10 when he retires from the service. He is now 48 years of age and has put in a service of 30 years. The District Forest officer considers that the clerk is "well deserving of consideration" and the Collector recommends that his case may be considered as a special one and that he be exempted from the examination rules so as to permit of his being promoted in the Forest Branch of the office.

2. On a similar representation made in 1892 on behalf of the same clerk for appointment in the executive service, the Govt. ~~then~~ said that they were not prepared to exempt ~~the man~~ him with a view to his being directly appoint~~ment~~ed as Forester, but that the Conservator of Forests was at liberty to appoint him as a Forest guard, and if he did well as such, ~~might~~ to recommend him

him for promotion to the post of Forester – Vide notes and orders in G.O. no. 554 Est: of 25th July 1892. No action ~~appears to have bee~~ was taken on this suggestion ~~and the man was~~ as the man was holding a permanent appointment in Inferior Service and as his going out as a Forest Guard meant a reduction of pay ~~and~~ besides going down to inferior service. He was therefore allowed to continue in his appointment on Rs. 15 in the Forest Branch of the Collr's office.

3. Except the fact that the clerk has put in a total service of 30 years and is to retire from the service shortly, no fresh grounds appear to have been adduced for a reconsideration of the order already passed. Orders are ~~however~~ solicited.

I see no reasons for the exemption. The Coll. does not state that he has difficulty in finding passed men for R20 posts, & there is no reason why an unpassed man should be exempted for higher posts merely in order that he may earn an enhanced pension.

The application may, with the concurrence of Revenue, be refused.
