EDUCATIONAL DEPARTMENT.

Letter—from M. Anwaruddin Sahib Bahadur, Secretary to His Excellency Lord Ampthill Memorial Committee, Farhat Baugh, San Thomé, Madras.
To—the Secretary to Government, Local and Municipal department.
Dated—24th November 1905.

As desired by His Excellency Lord Ampthill Memorial Committee in their resolution, dated the 21st instant, copy enclosed, I have the honour to request you to be good enough to obtain the sanction of Government for allotting a suitable site in the spacious compound of the Umdah Bagh for the construction of a public hall to be called "the Ampthill Muslim Hall" in commemoration of His Excellency's administration as Governor of this Presidency, and as a mark of our deep gratitude to His Excellency for the various acts of kindness to the Mussalmans of Southern India.

2. I am glad to be able to state that more than Rs. 4,000 has already been subscribed for the purpose by the leading members of the community and other admirers of His Excellency Lord Ampthill of which half the amount has already been collected ; and the committee hopes to collect a further sum of Rs. 5,000.

3. The committee has resolved to utilise the income derived from the building, whenever it is rented for any communal purposes, in awarding scholarships to be called "Ampthill scholarships" to deserving Mussalman students to assist them in the acquirement of English education. The supervision and the upkeep of the building will be entrusted to a body of trustees comprising of selected leading gentlemen of the community.

4. In this connection I beg to point out that Government has been pleased, from time to time, to award sites for such public purposes, such as the Wenlock Park, the Napier Park, the United Club, the Moore Market, and the Robinson Park. The Mussalmans of Southern India venture to hope that their prayer for the grant of the site will meet with the favourable consideration of Government as the hall which they propose to erect, while adding to the importance of the Madrasa-i-Azam which is located in the Umdah Bagh, as a central place for Mussalman education and advancement, will also keep before the public in general and the Mussalmans in particular in a fitting manner, the memory of their great benefactor—His Excellency Lord Ampthill.

Resolution.—Resolved that an application be made to Government in the Educational Department for a site being allotted in the compound of the Umdah Bagh with a view to the Ampthill Hall being erected thereon.

Letter—from H. D. TAYLOR, Esq., I.C.S., Acting Secretary to Government, Educational Department.

To—the Secretary to His Excellency Lord Ampthill Memorial Committee, Farhat Bagh, San Thomé.

Dated—22nd December 1905.

No.—842.

In acknowledging receipt of your letter, of 24th November 1905, requesting that a suitable site may be allotted in the compound of the Umdah Bagh for the construction of a public hall to be called "The Ampthill Muslim Hall", I am directed to state that while regarding with sympathy the request of the Lord Ampthill Memorial Committee, the Government consider that before passing orders they must be satisfied that no unsuitable building is erected on so prominent and valuable a site. They, therefore, think that it would be premature to accord a site until the full sum required has been actually collected, and designs and estimates for the building have been prepared. So far as can be judged at present the only site which could conveniently be allotted is that in the corner of the ground on the bank of the river near the Commander-in-Chief's bridge. The site would be cut off from the main compound so as to be quite distinct from the rest of the compound and only so much could be granted as would suffice for the actual building, access to which would be obtained by a bridge over the nullah. It would not be possible to grant any additional area by way of compound.

It is, therefore, suggested that the committee should renew their request when they are in a position to state exactly the nature of the building that they propose to erect.
