To,

His Excellency

THE RIGHT HONO'BLE

THE GOVERNOR-IN-COUNCIL,

FORT St. GEORGE,

Thro.

THE DISTRICT JUDGE,

South Malabar,

Calicut.

THRO:

THE HONORABLE

THE CHIEF JUSTICE AND JUDGES OF

THE HIGH COURT OF JUDICATURE,

Madras.

The humble Memorial of K.
MOIDEENKUTTY Copyist in
the District Munsif's Court
Tirur, South Malabar.

MOST RESPECTFULLY SHOWETH,

That with profound respect and due submission the Memorialist begs to lay his following grievances before Your Excellency in Council in the humble hope that they will be redressed.

1. The Memorialist humbly submits that he is a young Mopla (Mohamadan) belonging to an ancient and respectable family at Tirur in South Malabar and has passed the Lower Secondary Examination so far back as 1891. The premature decay of his family circumstances precluded the continuation of his school career and compelled him to seek an early means of livelihood.

2. The Memorialist was entertained as the Head-Master of the preparatory Mopla Normal School at Malappuram on a salary of Rs. 20 per mensem until the abolition of

that Institution in 1896 under circular order of the Assistant Inspector of Schools West Coast Division No. 181 dated 18th April 1896; and afterwards he was taken on as an Acting Inspecting School Master for Mopla Schools on the same pay and a monthly allowance of Rs. 12 for about 2 years and thus he has had in the Educational Department nearly 5 years' service, during which period he always discharged his duties to the satisfaction of his superiors concerned.

3. The Memorialist further respectfully submits that he joined his present appointment of copyist in the District Munsif's Court Alathur in September 1900 just before he attained the age of 25, and since then it has been his earnest care and endeavor to make himself useful and to discharge his duties satisfactorily; the Memorialist has a fair knowledge of English, Malayalam, Tamil and Arabic and while at school he has had the good luck of obtaining several prizes for his intelligence and good conduct also.

4. The Memorialist humbly submits that it may not be out of place for him to mention here that the Moplas of Malabar, especially that of South of Malabar, are the most backward class of population in point of education, and even in spite of the strenous efforts on the part of Government in the cause of Moplah Education, and the special encouragements and concessions shown to deserving individuals by providing them with suitable appointments they are not yet brought to the level of their brothern of other castes and creeds in the District.

9

5. Though the unfortunate Memorialist has the capacity and aptitude for better and higher appointments, yet his meagre educational qualification has become a bar to his getting any berth in superior service and consequently he is in great distress and misery by not being able to better his prospects.

6. The copies of testimonials obtained by the Memorialist from his several superiors are herewith submitted for kind perusal.

In these circumstances, the Memorialist most humbly and fervently prays Your Excellency in Council may, on a benign consideration of the above facts, be graciously pleased, as a special case, to order his exemption from the Matriculation and Hand-writing Test Examinations which are the least qualifications for admission to the superior service and to so enable him to achieve his humble object of securing any post in superior service for which he is otherwise qualified.

For which act of kindness and charity, the Memorialist will as in duty bound,

EVER PRAY.

I have known K. Moidin Kutti as a Copyist for over a year when I was in Tirur munsif's court. He is diligent and hard-working and his character is good. He deserves to be encouraged.

K. Moidin Kutty was a Copyist in this Court for a period of nearly a year and half. He has worked here satisfactorily. He bears a good character and is eligible for promotion.

This is to certify that the bearer hereof K. Moideen Kutti was the Head master of the Malapuram Preparatory mappila Normal School under my supervision and as such he had given me entire satisfaction. The post being abolished he had to be employed as a Supervisor for nearly two years. On the whole he was in the Educational Department for about 5 years. He is a man of industry and very good habits. Had he been allowed to prosecute his studies unmolested, he would have become a very good English Scholar but on account of the reduced circumstances of his family, he was obliged to seek employment. He has a fair knowledge of English and writes a very good hand both English and Malayalam. He belongs to a very respectable family and I am sanguine that he will make a very good Clerk. He deserves encouragement and I wish him every success.

Sub Assistant Inspector of Schools
Central mopla Range.

The bearer K. Moideen Kutti is intimately known to me for the past 4 years and odd and at present in his capacity as the Head master of the Board upper Primary Maplah School Manjeri, under me. He is very punctual and earnest in his work, and as such I have great satisfaction in him. He writes a good and fast hand, both Malayalam and English. His attainments are on the whole fair. I wish him every success in life.

Inspecting School master.

This is to certify that K. Moideen Kutty was a student under me in 1890 in the Board middle School, Bettatnad, while I was the 1st assistant of that Institution. His attendance was then good and conduct satisfactory. Even after I had left that school, I was always very glad to hear that he was doing well in the next higher class and was able to come out successful in the Lower Secondary Examination of 1891. He being very poor was not able to prosecute his studies. I wish him every success wherever he is placed to earn his livelihood.
