From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to report that I have given
Miss Scott Coward permission to reside upon the premises at the
Training School for Mistresses as a temporary measure. I have
inspected the place personally and I am satisfied that the arrange-
ment will not interfere in any way with the school accommodation.
It will not however give very spacious quarters for the
Superintendent but she has found it impossible to secure suitable
accommodation elsewhere just at present.

I have given her distinctly to understand that
it may be necessary for her to make other arrangements at any time
and that the fact of having resided there will give her no claim
to an allowance for house rent when the arrangement ceases. I have

also

also warned her that she may be called upon to pay rent but I hope
that this will not be necessary.

I have the honour to be,

S i r ,

Your most obedient servant,

J. N. Smith

For Director of Public Instruction.

on the distinct understanding that it may be "necessary for her to make other arrangements" at any time without any claim for house rent and that she may be called upon to pay rent. The Director does not however recommend that rent should be demanded. Orders are solicited on this point. If no rent is to be paid the papers may be simply recorded, with concurrence of Fin. Sec. Please see draft placed below.

I think that some small house rent at any rate should be charged for the period of occupation, and that length of occupation should be strictly limited up to say 31st March 06.

Miss Scott Coward has recently returned from leave and as doubt found it difficult to obtain suitable accommodation during the season

The rules governing rent for buildings used as residences are contained in articles 1068-1078 of the PWD Code & clause III of article 1068 states that

"No officers of Govt. are allowed residences free of rent, unless the sanction of some general regulation or order of Govt"

The question is one for settlement in PWD if the Supdt of the Pwdg Training School for Muskhos is not entitled to rent free quarters

Miss Scott Coward is not, under the terms of her agreement entitled to free quarters PWD u.o for favour of remarks very early remarks as to what a reasonable rate of rent, if any, for the quarters occupied by Miss Scott Coward would be

submitted that in the cities the permission asked for may be refused. Miss Scott-Coward should now have no difficulty in making arrangements for suitable accommodation elsewhere. Hotels, I believe, are not very full just at present.

Otherwise D.C. may be asked to indicate the quarters ~~to be~~ that Miss Scott-Coward proposes to occupy, and the C.A. can be called on to fix a proper rent. D.C. may also be asked to state whether the quarters have actually been occupied by Miss Scott-Coward, and for what period. If it is deemed necessary to remove any rent in respect of such occupation - but if permission is refused, the question of past rent, if any, due, may be waived. Miss Scott-Coward's salary is £350.

Apparently she has never occupied the premises. If she is obliged to live on the premises, which I don't think be a good thing, for the establishment generally, I don't see why she need

charge ^{little} ~~more~~ more than a nominal
rent, but if she occupied it ^{and}
of course be on the distinct
understanding that she had
no claim to remain & must
leave on notice of a week.

However D.P.I. better
report us how the matter stands
now, & if Mrs S.-C. desires to
live in the institution the rooms
had better be indicated so that
the C.A. may fix a rent when
we can then decide whether
the whole or only part of ~~the~~
the rent so determined sh^d be
charged.

His Excellency's permission has been requested
to propose Miss Scott-Coward to act as Inspector
for Miss Arnold who goes on leave about
8th March, and Miss Bernard to act as
Superintendent of the Presidency Training School.
I believe the latter resides with relatives in
Madras and there will be no question of

her occupying quarters in the school premises.
The matter may thus lie over
