From the Collector and President, District Board, Tanjore, dated 24th August 1905, *No.* 1382.

In his note, dated 23rd June 1905, on page 6 of the notes connected with G.O., No. 435, Educational, dated 23rd June 1905, the Honourable Member wanted to see the plans now submitted by the President. The plan might have shown the whole of the hospital buildings.

H. D. Taylor—1-9-05.

Both Rajah Mirasidar Hospital and Medical School.

H. D. Taylor.

This is of no use. I want the whole range of buildings—a site plan in fact: with the sites of the separate buildings shown and also the surroundings of the whole block.

[Memorandum No. 509, dated 7th September 1905.]

From the President, District Board, Tanjore, dated 2nd December 1905, No. 1812-D.B.

As desired in memorandum No. 509, Educational, dated 7th September 1905, the President, District Board, Tanjore, submits a site plan of the whole range of buildings connected with His Royal Highness the Prince of Wales' Medical School and the Rajah Mirasidar Hospital at Tanjore. This site plan was called for at the request of the Hon'ble Sir James Thomson.

2. Orders are solicited on paragraph 2 of the President's letter. He asks whether the Government wish the surroundings to be shown in greater detail.

3. Sir James Thomson appears to have called for the plan for record in the office—please see his orders on page 6 of the notes in G.O., No. 435, Educational, dated 23rd June 1905.

N.L.R.—7-12-05.

P. T. Tharyan—8-12-05.

A. Galletti—8-12-05.

A | Was there not some proposal for the construction of additional buildings in connection with the Medical School? I think that the plan was called for in connection with some such proposal. As the school has now been taken over by Government it is essential that we should know details of the buildings and lands taken over. The plan does not show this. The President, District Board, may be asked to show on the plan, in distinctive colours, the land and buildings attached to the Medical School as apart from the Rajah Mirasidar Hospital—*vide* schedule II on page 11 of G.O., No. 435, Educational, dated 23rd June 1905.

H. D. Taylor—9-12-05.

A draft memorandum returning the plan for detailed information is submitted below for approval.

2. As regards the Secretary's query at **A** *supra*, it is submitted that no proposal for the construction of additional buildings in connection with the Medical School was received in Educational nor does it appear to have been received in Local and Municipal. In this connection attention is solicited to paragraph 2 of the letter from the President, District Board, Tanjore, in G.O., No. 3 L., dated 3rd January 1905, from which it will be seen that there is already more accommodation than what is wanted. Unless more students are sent to Tanjore from the Ráyapuram and Vizagapatam Medical Schools, there will be no necessity for additional accommodation.

N.L.R.—9-12-05.

P. T. Tharyan—9-12-05.

The official memorandum will issue.

Please see the Hon'ble Sir James Thomson's note of 23rd June 1905 on page 6 of notes in G.O., No. 435, dated 23rd June 1905.

The plan may be recorded.

H. D. Taylor—2-2-06.

Sir James Thomson did not want the detailed plans, I imagine merely for record; but for scrutiny and examination in the light of his personal acquaintance with the locality. But he has left no indication of his ultimate intentions: and I am not able to suggest what they were. So they must be recorded unless office can indicate any criticism.

G. S. F[orbes]—6-2-06.

I think that the plan was merely called for so that there should be some record of the exact immoveable property vested in the Treasurer of Charitable Endowments under the notification in G.O., No. 435, dated 23rd June 1905. Record.

Copy should be communicated to the Treasurer of Charitable Endowments.

Was there not some proposal for the construction of addl. buildings in connection with the Medical School? I think that the plan was called for in connection with some such proposal. As the school has now been taken over by Govt., it is essential that we should know details of the buildings & land taken over. The plan does not show this. The P.D.B. may be asked to show on the plan, in distinctive colours, the land & buildings attached to the medical school as apart from the Raj Mirasdar Hospital. ~~of~~ ~~there is no such distinction~~ vide Schedule II on page 11 of G.O. 635 Edl. d/. 23.6.05

2. As regards the Secretary's query at A on page 3 supra, it is submitted that no proposal for the construction of additional buildings in connection with the Medical School was received in Educational nor does it appear to have been received in L.M. In this connection attention is solicited to para. 2 of the letter from the P.D.B., Tanjore, in G.O. no. 3 L., dated 3rd January 1905, from which it will be seen that there is already more accommodation than what is wanted. Unless more students are sent to Tanjore from the Rayapuram and Vizagapatam Medical Schools, there will be no necessity for additional accommodation.

Sir James Thomson did not want the detailed plans, I imagine merely for record; but for scrutiny & examⁿ in the light of his personal acquaintance with the locality. But he has left no indication of his ultimate intentions: & I am not able to suggest what they were. So they must be recorded unless Office can indicate any criticism

G.F. 8/2/06

I think that the plan was merely called ~~for~~ so that there sh^d be some record of the exact immoveable property vested in the Treasurer of Clanlich endowment under the Notification in F.O. 435. d 23.6.01.

Record.

Copy sh^d be communicated to the Treasurer of Clanlich Endowment
