study in the technical branches men-

to offer myself as a candidate

The subjects for

are Candle Making and Cerise Making
I am anxious to learn these for the
improvement of which there are not
sufficient provisions for preliminary
practical knowledge in this Presidency.

If, as stated, some Industries are not susceptible of organisation on a large scale and some need to be established and if bangle making and Penicil making are not under review, I beg to state that I would be only too willing to learn Tanning for which also I have an inclination

I am prepared to be bound
by all the restrictions laid down. I am a
native of India in the sense defined in Sec. 6
of Govt of India Act (1920) and I can pro-
duce a certificate of physical fitness as also
satisfy all other necessary conditions.

As to my general Educational qualifications, I have passed my F. A. Examination of 1904 of This University and am prosecuting my studies in The Madras Christian College in The Senior B.A. Class — last year of The course for B.A. Exaⁿ.
I hope to remain

Hoping to be in the

will be selected as a candidate.
