~~Reference~~

, Read the following letter from H. S. Mullins Esq., Acting Deputy Director of Survey, No. 58/R, dated 6-2-1906:-

I have the honour to submit a memorial addressed to His Excellency the Governor by Hyder Husain, Temporary Draftsman, Central Survey office, Madras, praying for general exemption from the Examination Rules.

2. I have looked through the file of papers in my office connected with the memorialist's service and find that on his being exempted in G.O. No. 560, Educational, dated 17th November 1903, (copy enclosed) he was given a trial in the correspondence section in which he, having been --

exempted

LR

exempted from passing the Upper Secondary Examination might have risen to Rs.50. His work in that section was most unsatisfactory and he was frequently reported on as careless, slow and wanting in interest. He was then re-transferred to the Draftsman's section in which he has since been working.

3. The memorialist has been given a chance and proved himself incapable and I cannot, therefore, support his memorial for general exemption.

Resolution

The memorial of Haider Hussain, Temporary Draftsman, Central Survey Office, received with the Deputy Director's letter read above, is submitted for the orders of Government.

2. The Board has no recommendation to make on behalf of the memorialist.

TO

HIS EXCELLENCY THE RIGHT HONORABLE,
ARTHUR OLIVER VILLIERS BARON AMPTHILL, G.C.I.E.,
GOVERNOR OF FORT SAINT GEORGE,
MADRAS.

THROUGH,
THE DEPUTY DIRECTOR,
CENTRAL SURVEY OFFICE,
MADRAS.

The humble Petition of Hyder Husain, the Grandson of the late Turab Ali Khan Bahadur, (Sipahdar Jung) the Grandson of His Highness the late Wallajah Nawab of the Carnatic; Draftsman, Central Survey Office, Madras.

Most respectfully showeth:-

With great respect and veneration, the Petitioner humbly begs to submit the following for your Excellency's Compassionate Consideration, and earnestly hopes that his humble request may be complied with.

2. That in October 1903, Petitioner submitted a Petition through the Deputy Director, Madras Survey, for exemption from passing the Upper Secondary Examination generally in view to his getting a permanent place there, or in any other department of the Public Service.

3. That upon the representation of Petitioner's circumstances and on the favourable recommendation of the Deputy Director, Madras Survey, the benign Government were pleased to exempt the Petitioner from passing the Upper Secondary Examination, but restricting the exemption to apply only to the Survey Department, vide G.O.No.560, Educational, dated 17th November 03.

4. The exemption thus benignly bestowed would make him eligible only for clerical appointment in the Survey Department but not for Draftsman's post which requires passing the Draftsman

test of the Civil Engineering College, vide Public Service notification printed in the Fort Saint George Gazette. The Petitioner, although employed in the Draftsman's branch of the Survey Office, during the greater portion of his Service, he cannot have the right of permanent appointment of Draftsman as he has not -- passed the Draftsman's test. He is not therefore actually benefitted by the exemption so kindly bestowed.

5. That Petitioner begs to submit that he has been employed as a Draftsman in the Temporary Establishment Since 20th June 1901, on a fixed salary of Rupees 15/- permensem; but whenever he applied for promotion as well as confirmation, he had the misfortune of getting a negative reply, even in the re-organisation of the Establishment, which took place only very recently on account of his not having passed any qualifying examination and in his not having been generally exempted.

6. That Petitioner respectfully begs to submit that he belongs paternally and maternally to the respectable family of his Highness the late Wallajah, Nawab of the Carnatic, which will be verified on reference to the Paymaster, Carnatic Stipends; and also he was drawing a small Political Pension of Rs.3-8-0 - - (No.260 P.) which was by the compulsary order of the Government commuted for Rs.506 in March 1902.

7. As regards his qualifications, Petitioner begs to state, that he has studied up to the Upper Secondary class in - the Harris High School, Royapettah, and possesses a fair knowledge in English, since in addition to his schoolastic education, he has had good European tuition, by which his knowledge of English has been greatly improved, as copies of testimonials enclosed -- will show.

8. That the Petitioner humbly begs to state, that -- several of his relations as well as persons not connected with - the Carnatic Family have been exempted from ~~passing~~ all the Examination rules generally in view to their entertainment in any Government Offices. Petitioner's case is also a similar one inas-much-as he has been in Government service for some years past though in the Temporary Establishment and has tried to give -

satisfaction to his superiors in the discharge of his duties.

9. That the Petitioner begs therefore most respectfully to request that the benign Government will be graciously ---- pleased to grant him a general exemption from all the Examination rules, which will also enable him to appear for any Special Test and thus better his future prospects in the Survey Department as well as in other Departments of the Public Service.

10. That the Petitioner begs to submit, that he is a member of the fallen house of the Carnatic which has been true to its salt since the advent of British rules, and trust that your Excellency will be graciously pleased to do this, the last favour sought for by the Petitioner who hopes that this will be a great boon conferred on the fallen Carnatic Family.

11. For which act of mercy, the Petitioner, as in duty bound, ever pray for your Excellency's long life and prosperity in future career.

Hyder Husain

Central Survey Office,
Madras, dated 20-106.
