### Enclosure.

Agreement made the second day of February one thousand nine hundred and six between James Alfred Yates of Pachaiyappa's College, Madras, India, of the first part and the Secretary of State for India in Council of the second part.

Whereas the Secretary of State for India in Council has engaged the party of the first part to serve His Majesty in India as a Member of the Indian Educational Service for the term of two years from the date of his entering upon the performance of his duties under these presents and subject to the conditions and agreements hereinafter contained.

Now these Presents witness and the said parties hereto respectively agree as follows:—

1. That the party of the first part will submit himself to the orders of the Government and of the officers and authorities under whom he may from time to time be placed by the Government, and that he will at all times obey the rules prescribed for the time being for the regulation of the branch of the public service to which he may belong, and will, when required by the Local Government, proceed to any other part of the province within which he may be serving and there perform the duties of any specified office in the cadre of the Indian Educational Service of the province. If he shall be retained in the service after the expiration of the said term of two years he will, when required by the Government, proceed to any other province in India and there perform the duties of any specified office in the cadre of the Indian Educational Service of that province.

2. That the party of the first part will devote his whole time to the duties of the service, and will not engage, directly or indirectly, in any trade business or occupation on his own account, and that he will not (except in case of accident or sickness certified by competent medical authority) absent himself from his said duties without having first obtained permission from the Government or its authorised officers.

3. That from the date of the party of the first part entering upon the performance of his duties as aforesaid the Government will pay him, so long as he shall remain in the said service and actually perform his duties, a salary at the rate of five hundred rupees per mensem for the first year and five hundred and fifty rupees per mensem for the second year. And if he shall be retained in the service beyond that period six hundred rupees per mensem for the third year rising by annual increments of fifty rupees per mensem to one thousand rupees per mensem.

4. That the Government may at any time during the said term of two years, or, if the service shall continue beyond such term, at any time thereafter, dispense with the services of the party of the first part without notice in the event of misconduct on his part or of a breach by him of any of the conditions herein specified.

5. That the party of the first part shall within two years after his entering upon the performance of his duties as aforesaid pass such examination as may be prescribed by the Government in one of the vernacular languages, and if he shall fail to do so the Government may dispense with his services.

6. That if the party of the first part shall be retained in the service of Government under these presents after the said term of two years he shall be subject to such rules as regards leave and pension as may for the time being be applicable to his case, and his service (commencing from the date of his entering on the performance of his duties as aforesaid) shall count as service towards leave and pension under the same rules Provided always that in case of any dispute as to the interpretation of any of the said rules or otherwise relating in any way to them, the decision of the Secretary of State for India in Council shall be conclusive.

7. That in any payments which may be made in Great Britain under these presents the rate of exchange between England and India fixed from time to time by the Secretary of State for India in Council in communication with the Lords Commissioners of the Treasury shall be observed.

8. That the proceedings, letters, and reports of the Governor-General of India in Council or of any of the Local Governments and of all others the officers and Agents of Government or any copies thereof or extracts therefrom which shall be sent officially to the Secretary of State for India in Council, or to any officers or servants in the Indian Service of His Majesty in England or elsewhere in any way relating to the sums of money to be paid or allowed to the party of the first part or to his conduct or in any way relating to the premises shall be received as conclusive evidence of any matter therein contained in any action or in any legal proceedings by or between the parties to these presents or in any way relating thereto.

In witness whereof the party of the first part and Sir John Edge, *Knight*, K.C., and Sir Dennis Fitzpatrick, K.C.S.I., being two Members of the Council of India, have hereunto set their hands the day and year first above written.
