Madanapalle,

February 13, 1906.

The Secretary

to the Government of Madras

Respected Sir,

N 46

With reference to the Government order dated the 21st January 1906 and published in the Fort St. George Gazette dated the 6th February 1906, calling for applications for Scholarships to be given to persons who are desirous of undergoing training in Technical Education in the United Kingdom and abroad, I most respectfully beg to offer myself as a candidate for one of the Scholarships named below.

I have passed the First Examination in Arts of the University of Madras from the Presidency College and have studied in the B.A. class in the same institution for a term with Botany as my special subject. I am very desirous of undergoing training in the industry of Coconut oil manufacture or in the industry of Sugar manufacture. I belong to one of the Ceded Districts which are declared to be backward in the Districts of the Presidency in point of education. My family owns lands in the Chiddipah District and pays an annual 'Kist' of about Rs 350/-. I wish to undergo ^{training} in one of the industries named above with the hope of introducing the same in these parts and so to be useful to the Presidency and to India at large.

As the Government are desirous that the Scholarship students should know the elementary principles of the industry for which they are sent abroad, I most respectfully beg to state that I will undergo—

training in any institution the Government may meet.

I most respectfully beg to request that the Government may be pleased to confer on me a Scholarship either in the industry of Coconut or manufacture or in the industry of Sugar manufacture. The Subjects stated are not those in which a scholarship will for the present be given.

I beg to remain
