CURRENT No. 256.

Egmore, 14th February 1906.

The Secy. Secretary to Government.
Madras.

Honored Sir,

With reference to your notification in the Fort St George Gazette, dated 6th February 1906, concerning Government Technical scholarships tenable in England for prosecuting Industrial study, I beg to offer myself as a candidate for the same.

I am a Native christian aged 22; I have passed the F.A. Examination of the University of Madras and reading for B.A.; I hold a certificate in Drawing, can fairly handle many of the musical instruments and have a thorough knowledge of the mechanism of cycles; and I have a great aptitude for industrial pursuits, consequently my brothers desired me to undergo training as a mechanical Engineer. Now that your scheme is published they give their consent to my going to England, should I be favoured with a scholarship.

Therefore, I beg to request you to kindly give me all the necessary information and furnish me with application forms.

I beg to remain,

Honored Sir,

Your most obedient servant,

Edward M. Dawson
