Sir,

I am directed to inform you that the Government of Perak is prepared to pay for the future training as a Student Apothecary of Mr. de Cruz who has already been studying for some three years as a military pupil at the Madras Medical College and obtained class certificate but failed to pass an Examination held last March and was dismissed.

2. I am to ask if you can be so good as to authorise his re-admission and to arrange, as you have kindly done in previous cases, for the payment of his subsistence allowance at the rate of Rs. 67 per mensem.

3. I understand that pending the sanction of Madras Government the Principal of the Madras Medical College has been good enough to allow Mr. de Cruz to attend the College and I would ask that his subsistence allowance from the Perak Government may be paid to him from the date on which he was allowed to resume his studies.
