Respected Sir,

I beg most respectfully to bring to your kind consideration, the following lines and hope to meet with a favourable reply.

After having gone through carefully the rules for Indian Government Technical Scholars in England, I beg to offer myself as a Scholar for the same.

I beg to lay the following particulars for your honour's approval and to the rules therein stated.

(a) I beg to say I possess a fair knowledge in English although it is out of question. I may for your honor's information add that I have taken a complete training in Telegraphy and worked as a Signaller in the Construction Branch of S. K. F. P. Line for a year. I beg also to say that I turn 22 years with a pretty strong constitution.

(b) The particular industry to which I have given special attention is nowhere taught in the Presidency viz. Manufacture of Palmyra Products. But from the address from the top of this application, your honours may come to know that I possess an estate where there are Palmyra trees and the manufacture I make, for the local purposes, has become a profession with me and thereby I have gained to a certain extent a practical knowledge. After having seen notification in

P.T.O.

in "Fort-St-George-Poyette" about Technical Studies. I have a great desire to pursue the above industry Scientifically.

(c) In my own estate, I beg to say I preserve English plants as I cherish great taste for them and that has me up to go through practical books on plants and flowers.

(d) I may be allowed to point out that I possess practical knowledge on Tanning and further pursuit of the same Scientifically will prove to me here in India of inestimable value.

(e) Instead of submitting to your honourfull particulars about my character and the respectability of family, I shall do better to inclose a testimony to that effect from my Pastor the Rev. R. C. Porter, Missionary of the London Mission. Tumpatur if needed. If not I beg to say that I am the third Son of the late Rev. C. Sundram D. M. S. who worked here for about 30 years & my family is of the oldest in Tumpatur, as to the character I possess a clean record.

Hence I beg to say that if your honour is pleased with the particulars that I have submitted, I may hope to get a favourable reply.

I beg to remain
Respected Sir
Your most obedt servant.
