SECRETARIAT.

The Secretary to Government
Educational Department.
Madras.

Most Respected & Honoured Sir,

Being given to understand that a Scholarship was to be awarded to Candidates for prosecuting Technical Studies, I had applied for the Same on the 22nd October 1905. 14th November 1905 Setting forth my qualifications and enclosing Copies of Testimonials and the required Certificates.

G.O. No. 44 Edl N 23-1-06

I am a "Licentiate of Textile manufacture" of Victoria Jubilee Tec: Institute, Bombay and hold Honours Grade Certificate in "Spinning" and Ordinary grade Certificate in "Dyeing" of City & Guilds of London Institute. Further, I possess other proficiency Certificates qualifying me for the Complementary Science Subjects I have taken up, as will be Seen from the Copies of Certificates enclosed herewith. I am now in charge of Textile Dept: of the Trivandrum School of Arts and have been deputed by Govt. to test the Commercial Value of fibrous and other economic produce of the State forest. I have been Conducting experiments to utilize the plantain fibre

Textile purposes and this industry has been successfully introduced by me in the above School of Arts.

I have been recommended to the above Scholarship by the Inspector of Technical Schools and also by the Director of Public Instruction.

Please see the D.P.I.'s letter in G.O. no. 44 Edl 23-1-

I beg to state that the two Candidates who have been selected and sent from Bombay Presidency for the above-said Scholarship were my class mates at Bombay and are mere "Licentiates of Textile manufacture of Bombay Inst: and both of them are now being trained in Municipal School of Technology Manchester in Industrial Chemistry as applied to Bleaching and Colouring of Textiles.

The Director of Public Instruction has now informed me by his proceeding dated 19th February 1906 that, I being a native of Travancore, my application has been rejected saying that the said Scholarships are primarily intended for natives of British India.

G.O. no. 44 Edl 23-1-06 N

I beg to submit that in the G.O. relating to Govt: of India Tec: Scholarship there is nothing about the preference of a "native of British India"

Para. 8(1) of G.O. no. 46 Edl 23-1-06 N

to a "Native of India" including the Native States. That G.O. simply states that the Scholarship is to be awarded to a "native of India" as defined in Section 6 of Govt: of India Act 1870.

Para. 8 (1) of G.O. no. 46 Edl, 23-1-06. N

Further, even if a preference were to be made in favour of a "native of British India, I beg to submit that no such Candidate with the necessary qualification has as yet applied for the Scholarship in question as there is no one but myself in the Madras Presidency who has received any satisfactory amount of education in Industrial Chemistry as applied to Technology of Textile Colouring, for the study of which the Scholarship is to be awarded. I have passed the highest examination in India "in" "Dyeing" which is one of the branches of Industrial Chemistry.

On learning the subject for which the Scholarship was to be awarded from the notification of Fort St. George Gazette dated 1st February 1906. I have put in an application a second time through Mr Chatterton on the 6th February 1906. setting forth my qualifications and my proficiency in the new subject specified.

G.O. no. 46 Edl 23-1-06 L

Under these circumstances Your Honor will see that I am the only applican equipped with necessary qualifications. So, I request that Your Honor will be pleased to reconsider my application and to select me for the above-said Scholarship.

I beg to remain
Most Respected & Honoured Sir,
Your most obedt & humble Servt.

C. No. 275 From the M.R.Ry. N. Narayanaswami Pillai, School of Arts, Trivandrum. No. , dated 21-2- 1906.

SUBJECT.

Application for a State Technical Scholarship.

The applicant who appears to be otherwise well qualified is not a native of British India. He should apply to the Travancore Durbar.

H. D. T.
22-2-06.

H. M.

Respectfully submitted that Mr. Narayana~~swami~~ Pillai was already informed that the Govt. could not recommend him for a State Technical Scholarship for the study of the weaving industry and that these Scholarships were primarily intended for natives of British India — G.O. no. 44. Edl., dated 23rd January 1906. In this connection attention is specially invited to His Excellency's note of the 13th January 1906 in page 2 of the notes in G.O. no. 44 Edl of 23rd January 1906. The present application is only for a reconsideration of the previous order.

Hon'ble Mr. Forbes's remarks on page 7 of c.f.

From N. Narayana Pillai dt 21st February 1906

Please see former application. 10

2. Where was he born and who are his parents?

I presume Travancore – as he does not dispute it

3. Do we know what these tests (Spinning & Dyeing of City & Guilds of London) include?

G. S. F.

Narayana Pillai's former application for a State Technical Scholarship will be found printed on pages 2 & 3 of G.O. no. 44 Educational, dated 23rd January 1906. In this application no information is given as to the place of his birth and as to his parentage. In forwarding this application to Govt., the Director stated that Narayana Pillai was a native of Travancore – Vide para. 1 of the D.P.I's letter on page 2 of G.O. no. 44 Edl., dated 23rd January 1906.

2. There is no information here as to the Subjects prescribed for the Licentiate of Textile manufacture of the "Victoria Jubilee Technical Institute, Bombay," and for the Honours grade Certificate in "Spinning" and the ordinary grade Certificate in "Dyeing" of "City and Guilds of London Institute."

3. A draft order is placed below for approval with reference to the A.S's orders on page 1 supra.

Sec.

There seems no doubt that the applicant is a native of Travancore. He argues merely that he is a native of India against the contention that he is not a native of British India. Unless the intention of Govt. is to be modified, I submit the draft may issue.
