Authorizing the Sub-Assistant Inspector of Sanskrit Schools to draw, whenever his actual travelling expenses for an authorized journey on public duty by public conveyance exceed double the amount of his permanent allowance for the period occupied in such journey, the difference between such double permanent allowance and the allowances admissible under chapter LII of the Civil Service Regulations, in addition to his ordinary permanent allowance for such period.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 9th January 1906.

No.—Ref. on Cur. 8848 of 1905.

I have the honour to address Government on the subject of the travelling allowance to be given to the Sub-Assistant Inspector of Sanskrit Schools. At present he is drawing a permanent allowance of Rs. 25 per mensem, being considered to come under No. 70 of Appendix 22 of the Civil Service Regulations. His work, however, is somewhat different from that of the ordinary Sub-Assistant Inspectors as his tours of inspection extend over the whole of the Presidency, whereas theirs are ordinarily confined to a single district or even a portion of a district. His position is analogous to that of the Sub-Assistant Inspectors of Muhammadan Schools except that he has to cover a much wider area than they.

2. The permanent allowance of Rs. 25 is inadequate to cover the expenses of the long journeys which he has to perform, and I recommend that Government may be pleased to extend to him the concession of article 1045 of the Civil Service Regulations, a concession now enjoyed by the Muhammadan Sub-Assistants.

Endt. No. T. 301-Spl./12466, dated the 6th February 1906.

Forwarded to Government.

It is within the powers of the local Government to allow the concession applied for under article 1045 of the Civil Service Regulations.

A similar concession to the Sub-Assistant Inspectors of Muhammadan Schools was sanctioned in G.O., No. 491, Financial, dated 28th June 1895.

W. DOBBIE,
Accountant-General.

Order—No. 152, Educational, dated 6th March 1906.

Under article 1045 of the Civil Service Regulations, His Excellency the Governor in Council authorizes the Sub-Assistant Inspector of Sanskrit Schools to draw, whenever his actual travelling expenses for a duly-authorized journey on duty by public conveyance exceed double the amount of his permanent allowance for the period occupied in such journey, the difference between such double permanent allowance and the allowances admissible under chapter LII, in addition to his ordinary permanent allowance for such period.

NOTES CONNECTED WITH G.O., No. 152, EDUCATIONAL, DATED
6TH MARCH 1906.

[**SUBJECT.**—*Travelling allowance of the Sub-Assistant Inspector of Sanskrit Schools.*]

From the Director of Public Instruction, dated 9th January 1906, No. 8848 of 1905.

" Accountant-General, dated 6th February 1906, No. T. 301-Spl./12466.

The present Sub-Assistant Inspector of Sanskrit Schools was originally designated Assistant to the Director of Public Instruction and Sub-Assistant Inspector of Sanskrit Schools, a post which was created in the Director's office under G.O., No. 742, Educational, dated 1st November 1899. His pay was Rs. 75 per mensem. In the recent reorganization * of the Director's office establishment, this post was abolished and the incumbent transferred to the Sub-Assistant Inspectorate. Please see paragraph 8 of the Director of Public Instruction's letter on page 9 of G.O., No. 641-A, Educational, dated 22nd October 1904, and also the revised scale sanctioned in G.O., No. 715, Educational, dated 6th December 1904.

2. While Assistant to the Director of Public Instruction and Sub-Assistant Inspector of Sanskrit Schools and while borne on the Director's office establishment, the present Sub-Assistant Inspector of Sanskrit Schools had no permanent monthly travelling allowance of the kind usually drawn by ordinary Sub-Assistant Inspectors under item No. 70 of Appendix 22 of the Civil Service Regulations; but whenever he went on inspection work, he was allowed to draw the allowance generally admissible under the Civil Service Regulations—paragraph 1 of the notes in G.O., No. 137, Educational, dated 25th March 1903.

3. In December 1900, however, the Director recommended the grant of a permanent monthly travelling allowance of Rs. 50 per mensem to the Sub-Assistant Inspector of Sanskrit Schools on the ground that the amount of ordinary allowance payable under the Civil Service Regulations was considerably less than his actual travelling expenses. The Director also requested that, under article 1045 of the Civil Service Regulations (article 1147 of the 3rd Edition), the Sub-Assistant in question might be permitted, whenever his actual travelling expenses for a journey exceeded double the amount of his permanent allowance for the period occupied in the journey, to draw the difference between such double permanent allowance and the allowances admissible under chapter LII (old chapter XLVIII) of the Civil Service Regulations, in addition to his ordinary permanent allowance for such period. This is a concession enjoyed by the Sub-Assistant Inspectors of Girls' Schools and of Muhammadan Schools under G.O., No. 491, Financial, dated 28th June 1895. After a full consideration the Government negatived the Director of Public Instruction's recommendation—*vide* G.O., No. 162, Educational, dated 20th March 1901. Again in March 1903 the Director urged a reconsideration of the case and recommended this time that the Sub-Assistant in question might, for the purpose of the travelling allowance rules, be treated as an officer of the second class, so that he might be entitled to a mileage of 4 annas instead of 2 annas, and that he might be granted a daily allowance at the special rate of Rs. 2. This recommendation also was negatived—G.O., No. 137, Educational, dated 25th March 1903.

4. Now that the post of Sub-Assistant Inspector of Sanskrit Schools has been included in the cadre of the Sub-Assistant Inspectors' establishment, the incumbent of the post will draw a permanent monthly travelling allowance of Rs. 25 under item No. 70 of appendix 22 of the Civil Service Regulations. The Director states that this allowance is inadequate to cover the expenses of the long journeys which he has to perform and that his tours of inspection extend over the whole of the Presidency unlike those of the ordinary Sub-Assistants which are confined to a single district or even a portion of a district. The Director, therefore, recommends the extension to the Sub-Assistant in question of the concession of article 1045 of the Civil Service Regulations, under which the Local Government may, either by a general order applying to a class of officers or by a special order, permit an officer whose circle of duty extends beyond the limits of a single district, to draw, whenever his actual travelling expenses for a duly authorised journey on duty by public conveyance exceed double the amount of his permanent allowance for the period occupied in such journey, the difference between such double permanent allowance and the allowances admissible under chapter LII in addition to his ordinary permanent allowance for such period. The Accountant-General has no objection.

5. As pointed out in paragraph 3 *supra*, the concession referred to is enjoyed by the Sub-Assistant Inspectors of Girls' Schools and of Muhammadan Schools under G.O., No. 491, Financial, dated 28th June 1895. For orders as to whether the Director of Public Instruction's recommendation may be accepted. If accepted, the file may be transferred u.o. to Financial as orders have to issue in that department.

N.L.R.—12-2-06.

Financial may be consulted, but under memorandum No. 1701, Financial, dated 2nd November 1901, orders should apparently issue in Educational.

P. T. THARYAN—12-2-06.

There seems no objection to the proposal. The man has very extensive touring.

The proposal may be accepted in Educational.
