To

His Excellency the Governor-in-Council,

Fort St. George, Madras.

Regd 29-1-06.

REGR. CHIEF SECT. 26 JAN 1906

(Through the Secretary to the Government of Madras).

May it please Your Excellency,

With reference to Government Order No. 809 of the 11th December 1905, expressing inability to recognize the newly started Technical Institution under the name of "Arcot Damodaram Moodaliar's Technical Institute of Secunderabad", I beg respectfully to address the following on behalf of the school as represented by the public of Secunderabad.

1. That already there exists a Technical Institution in this town, recognized by Your Excellency's Government and your Excellency's Government kindly accorded recognition to the school, (Official Memorandum No. 11208 dated 13th November 1900) though the place is not within Your Excellency's jurisdiction.

Not issued × by Govt. but apparently from the D.P.I.'s office?

2. That the main object of the public here in seeking this favour is to meet a special want, in this part of India, of an Institution for imparting education in Technical subjects. Moreover, the Institution now in existence is hardly able to meet successfully the full requirements of the existing demand in the matter of Technical training.

3. That this place is an important centre being the seat of the largest Cantonment in India and also is a town so closely situated to the Capital of H.H. the Nizam

4. That this Technical Institution is founded with a view to help those young men who are not in a position to pay for higher education and who wish therefore to resort to technical training as the more immediate and effective means of earning their livelihood.

5. That under the aforesaid circumstances I, on behalf of the public, most respectfully submit that this matter will receive Your Excellency's gracious consideration and that Your

Excellency

Excellency will kindly grant the prayer sought for.

I beg to remain,
Your Excellency's Most obedient servant,

V. Ramanuja Pillai B.A.,L.T.,
Principal,Mahboob College,

The Director of Public Instruction,

Sir,

Owing to the close of the construction works of the Hyderabad Godavari Valley Railway, where I have been employed, I was obliged to seek for another employment and I have secured one in Bombay.

As this necessitates my leaving this place immediately, I have handed over, in anticipation of your approval, the management of the Secunderabad Technical Institution to one Mr. C.J. Muller, whom I consider the most suitable man for conducting the work as a manager with the Present Assistant. He is at present employed as Head Draftsman in the Chief Engineer's office, His Highness the Nizam's Guaranteed State Railway, on a salary of Rs.200/- per month and it is not probable that he would leave the station for some time as he holds a permanent employment and I have no doubt that the school will be better conducted as he is a European, besides being a well qualified man in the profession. I regret very much for having to leave the station but glad that I was able to secure a suitable man in my place. I request that ~~t~~his name may be registered as being the responsible man for conducting the work of ~~this~~ the institution and that orders issued to Mr. Muller accordingly.

Mr. Muller certifies below that he has taken over charge of the Institution from me.

I have & & &

~~LEGISLATIVE~~ Educational DEPARTMENT.

C. No. 143, From the Principal, Mahboob College, Secunderabad., No. ......, Dated 23-1-1906.

SUBJECT.

Recognition of "Arcot Damodaram Mudaliyar's Technical Institute of Secunderabad."

In their order no. 532 R, Educational, dated 31st October 1905, the Government declined to comply with the request of the Manager of Arcot Damodaram Mudaliyar's Technical Institution, Secunderabad, for recognition of the institution under the Madras Educational Rules. Thereupon a petition signed by M.R.Ry. V. Ramanuja Pillai, Principal, Mahboob College, Secunderabad, & others residing in the Cantonment Station was submitted to Govt. praying for the recognition of the Technical Institution in question. The Government however declined to comply with the petitioners' request on the ground that the institution was situated outside the jurisdiction of the Madras Government - Vide G.O. no. 809, Educational, dated 11th December 1905.

2. M.R.Ry. V. Ramanuja Pillai, Principal of Mahboob College, Secunderabad, now requests the reconsideration of the order and points out that in official memorandum no. 11208 dated 13th November 1900 recognition was previously accorded to a Technical Institution already existing in Secunderabad - para 1(1) of the letter on page 1 of Ct. file. ~~The~~ It has been ascertained from the Director's office that Proceedings ~~the~~ ~~[illegible]~~ ~~Director's office~~ no. 11208 dated 13th November 1900 ~~and~~ not a memo of the same number and date issued from that office. It has been further ascertained that the proceedings simply

records the report as to the change of management of a Technical Institution in ~~Hyderabad~~ Secunderabad. Before however the petitioner is informed that the Govt. see no reason to reconsider the orders already passed, it is submitted that the proceedings above referred to may be called for from the Director's office. A draft telephone is placed below for approval.

Proceedings no. 11208 dated 13th November 1900 — received from the Director's office is submitted. It has no bearing on the present question, namely, the recognition of a Technical institution in Secunderabad.

2. For orders as to whether the petitioner may now be informed that the Govt. see no reason to reconsider the orders already passed.

It may perhaps be better to ask the Director u.o. whether the school referred to in Director's Pros. no 11208 of the 13th November 1900 is now treated by him as a "recognized" school and if so under what authority.

It appears that the school was recognised in Proc. No 11076 of 24 Sept. 1898 and Government was informed of the fact in this office letter No 11077 of the same date with reference to Govt. endorsement No. 1984 Edl. of 16.9.98 referring to the D.P.I. letter from the Resident at Hyderabad requesting that a class opened by A Narayana Aiyer in Secunderabad for tuition in Engineering Subjects may be recognised.

G.O. R. No. 532 Edl of 31st October 1905. G

The recognition was I think a mistake as I pointed out in my No 8235 of 21.10.05. We have not even information as to whether the school is still in existence!. I learn from the Commissioner's office that it is and sends up candidates for the Govt. Technical Examinations. So far as we are concerned they are moreover private candidates as we know nothing about the training they receive. The simplest way would be to treat them as such. The grant of recognition merely serves as an advertisement for the school while we have no guarantee as to its merits

Submitted for orders.

2. In the circumstances explained by the Director in his note on page 3 Supra, the position of affairs does not seem to be affected. Whether the Arcot Damodaran Mudaliyar's Technical Institution at Secunderabad is recognized or not, the Candidates sent up by that Institution for the Govt. Technical Examinations will be considered as private Candidates. Perhaps this may be explained to the present memorialist M.R.Ry V. Ramanujam Pillai, Principal of the Mahboob College, Secunderabad. Or Should he be told that Govt. See no reason to reconsider the orders already passed?

Under para. 6 of the notification regulating the Govt. Technical Examinations, the Examinations are ordinarily open to
" (i) all persons who have passed the compulsory subjects of the
" Lower Secondary Examination (in the case of the Elementary
" Examinations), or [illegible] of the upper Secondary Examination or
" the matriculation Examination (in the case of the Intermediate
" and Advanced Examinations). The Commr. may accept

2. If therefore the "Arcot Damodaram Mudaliyar's Technical Institute of Secunderabad" is recognized, even unpassed candidates can appear therefrom under clause (ii) of the above para, without any special permission from the Commr. under clause (iv). It would thus seem that the grant of recognition will ~~serve~~ (in this case serve as more than an advertizement but the Govt. have already refused recognition as the Institute is situated outside the jurisdiction of the Madras Govt. — G.O. No 809 Edl dt 11th December 1905. Submitted that the existence of another recognized school in the place is no reason for granting recognition which is open to objection to a second school. Submitted however that there is no necessity to explain the position to the present petitioner who may be simply informed that the Govt. see no reason to reconsider their order No 809 Edl dt 11th December 1905.
