The P.D.O. Esq. Judge & Suptg. Eng. 1 Civil
Most Honored Sir

With reference to Suptg. Engineers
No. 1211 dated 1st April 1896, I most
humbly beg to bring my hard case to
your honorable notice for favorable
consideration and justice.

I was entertained in the Dept.
in January 1874, and I have come to
the post of Clerk 4th Class 3rd Grade on
1st April 1880. It was stated in G.O.
No. 22994 of 6th Sept 1893 that increments
may be allowed to the unpassed Can-
didates serving in the Department
before 1st July 1889. Altho I have been
continually holding my present
graded appointment (4th Class 3rd Grade)
since 1880, that is long before 1889, I
have not been favored with the increase
of pay to which my Class & grade
is entitled to, but only travelling
allowance at 60 cents per day which
is limited to the post of 4th Class 3rd Grade
is being passed for me.

This G.O. is not
applicable to the
petitioner's case.
to Hagg

3. In May 1891, I was temporarily promoted to the post of Clerk 4th Class 2nd grade Rs 30 to 40 in the Koraput Sub Division with a lien on my permanent Class & grade 20 to 30 vide one of the Supl^y Ltr^s No. 582 U. K. of 22 December/91 Copy enclosed for your honors perusal. Thus it may be seen that I have been continuously holding the post of Clerk 4th Class 3rd Grade without any breakage since 1880. But I am afraid that my case was not clearly placed with sufficient details before Government on my last petition on the point of non continuity of my service as Clerk 4th Class 3rd Grade.

4. The temporary promotion given to me was not one of my choice but one forced upon me as the appointment was not attractive to any body in consequence of the unhealthiness of the place. In fact, I remained in that locality for a period of about 18 months, suffered a great deal, and reverted to my former appointment in the plains, on which I kept lien. The malarious results show their appearance still on me every now & then.

5. I now put in a total service of

of nearly 30 years in the Department and beg to enclose an extract from my service register for your honors kind perusal. I further beg to bring to your honors kind notice that cases similar to that of mine were favorably considered and men were allowed to draw increments, as follows under the strength of G. O. No. 22930 of 6.9.93 referred to and otherwise.

- (1) Narayanapilly, proposed Candidate 4th Circle, allowed to draw increments up to Rs. 50 in the post of Clerk 4th Class 1st Grade.
- (2) Bapiraj purtulu, proposed Candidate Kistna Kshetra D. W., allowed to draw increments up to Rs. 30 in the post of Clerk 4th Class 3rd Grade.
- (3) Sheikh Adam Sahib, pensioned Zama dar, proposed Candidate 4th Circle, allowed to draw increments up to Rs. 50 in the post of Clerk 4th Class 1st Grade.
- (4) G. Sivabharanam, proposed Candidate 1st Circle has been permitted to draw his maximum pay of Clerk 4th Class 3rd Grade.

Although I was since 1880 holding the more responsible position of a 20 to 30 paise grade as a Divisional and Sub Divisional Clerk, with a uniform good record of service, I was, to my great misfortune, not allowed to draw

the increment of my grade, while Clerk of the next junior grade of 5th Class 1st Grade was under the provision of the G.O. above referred to, allowed the Concession of drawing the maximum pay, getting $\frac{1}{2}$ a rupee more than what I draw.

6. I may also mention in way of vindicating my case, that G. Sivabharanam Clerk 4th Class 3rd grade, who under G.O. No. 15094/11-8-05 was allowed the Concession of drawing the maximum pay of his grade is Rs 30, works as an assistant in the Yellamanchelly Sub Division, while I as the Sub Div. Clerk, with more possible duties get only Rs 19-8-0, which itself may seem how discouraging and hard it is for me.

7. The Executive Engineer was also kindly pleased with the efficient condition of the Sub Div. records and accounts and a mention of which he was kind enough to make is his recent inspection notes of my Sub Div.

8. I have only a few years more to retire on pension. So I most earnestly crave that your honor may be graciously pleased to kindly permit me to draw the maximum pay of my grade, so that I may be enabled to get a slight increase in my pension, which will be a source of help in the last days of

of my life and my large family. For which act of kindness I shall as in duty bound, ever pray.

I beg to remain
Most Honored Sir
Your honor's most obedient and
humble servant.

For forwarded for honorable consideration
The clerk is quite up to his mark & continues to work
satisfactorily as Sub Div. Clerk.

It is a great pity that the Clerk who
has put in such a long quality in service still
struggles hard. On his last increment pay
of his grade 20-2-30, although he was promoted
bit more than 25 years ago.

His hard case merits consideration for the granting of the concession prayed
for by the petition.

Forwards for favourable consideration. The petitioner has been working as clerk IV Class III Grade permanent since 1st April 1880 without interruption in the continuity of the appointment. When I inspected the Yellamanchilly Sub Division, his work as Sub Divisional clerk was found to be quite satisfactory.

I recommend that the Clerk may, in consideration of the uniformly good record of his service, be permitted to draw the maximum pay of his grade. This increase -- of pay cannot be long enjoyed by him as he will soon have to retire but it will considerably improve his very small pension.

Submitted, with enclosures, to the Chief Engineer Public Works Department, for favourable consideration. The Clerk has already put in a service of 51 years in the Department, of which 6 years as acting and 25 as permanent. His age is now 51 years and he may probably retire on his attaining the age of 55. Under these circumstances, I recommend that the clerk's request may be granted.

C No. 478

This is a petition from R. Papiak Naidu, clerk on Rs. 20-2-30 but drawing Rs. 19-8-0 only, for the grant of the maximum pay of his grade, viz, Rs. 30.

2. Papiak was appointed clerk on Rs. 20-2-30 in the I Circle, on the 1st April 1888. Being an unpassed man his pay was restricted to Rs. 19-8-0, as under the rules then in force an unpassed man could not be appointed to a post at Rs. 20 or upwards. In 1896 a similar request on behalf of the clerk was rejected by Govt who however ordered that Papiak might be graded as clerk on Rs. 15-1-20 and given the maximum pay of Rs. 20. This order does not appear to have been given effect to, as the clerk states in his present petition that he is still in the Rs. 20-2-30 grade drawing Rs. 19-8-0. The result is that the man has lost 8 annas a month since February 1896.

3. Before the present request can be considered, Papiak has to be exempted from the reamination rules in view

This limit was still further reduced to Rs. 15 in 1887

of Rs. 73 Edl of 2-96

To his drawing pay in excess of Rs. 20
It is for consideration whether a recom-
mendation is to be made on the peti-
tioner's behalf to the Educational Dept
for such exemption. Tapiak quotes
four instances of unpassed men
having been exempted from the exa-
mination rules in view to their
drawing higher rates of pay. The
circumstances under which these
men were exempted are not on
record in this office but in the Educa-
tional Department.

4. The Executive and En Supt. Engineer
recommended the petitioner's request.
Tapiak has given a total service of
about 32 years of which about 26 are
permanent. His age is 57.

for favourable consideration - The man has put in 31 years continuous service & has thereby earned the right to ask that he may towards the end of his service receive a little exceptional treatment. He is of course a relic of past days and it always seems hard that when older men should suffer by the introduction of rules which introduced to meet the onward movement of education - A case like this is not likely to recur, & I should ask that the clerk can be treated as special & his request granted.
